Small business makes a big difference in this province, providing jobs for more Ontarians than all other businesses combined. To give entrepreneurs a hand, we created the Small Business Agency of Ontario. That is just one of the many ways Ontario is working to give small business owners the information, resources and support they need to succeed. Because what's good for small business is good for all of us.

For more information on starting and growing a small business, visit [www.sbe.gov.on.ca/smallbusiness](http://www.sbe.gov.on.ca/smallbusiness)

Paid for by the Government of Ontario
