On Thursday, Jan. 25 the Essex Knights of Columbus Council 3305 held their Annual Free Throw Council Run-off at Holy Name School. Forty-one boys and girls aged 10 to 14 competed for first place and a chance to represent Essex Council at the district level on Feb. 17 at St. Mary's School. Many thanks to all those who participated, as well as those who cheered them on. Good Luck to the winner in Maidstone!

*Tim Hortons*

5:59

I learned  
love the game.

In Timbits Hockey, a love for the game starts with having a great time on the ice. It's a way for kids to learn basic skills, make new friends and most importantly, have fun. That's why Tim Hortons is proud to support all the girls and boys who play Timbits hockey in the Essex community.

The first goal is having fun.
