**PRAYER TO THE HOLY SPIRIT**

Holy Spirit, You who makes me see everything and who shows me the way to reach my ideals. You who gives me the divine gift to forgive and forget from all that is done to me and You who are in all the instances of my life with me. I in this short dialogue, want to Thank You for everything and confirm once more that I never want to be separated from You, no matter how great the material desires may be. I want to be with You and my loved ones in your perpetual glory. A person may pray this prayer three consecutive days without asking for their wish. After the third day their wish will be granted, no matter how difficult it may be and promise to publish this dialogue as soon as your favour has been granted.

You can only have one mother

Patient, kind and true, No other friend in all the world

Will be so true to you.

For all her loving kindness

She asks nothing in return,

If all the world deserted me

To my mother I could turn.

To those who have a mother

Treasure her with care,

For you never know her value

'Til you see her vacant chair.

- Sadly missed by Kim and family
