Raiders optimistic about upcoming season

The Villanova Wildcats, a team that dominated the Detroit Catholic Baseball League division last year, has returned to WECSSAA. With the likely absence of all-star pitcher and short stop Chris Warren until the Essex 73's season is over, the Essex Red Raider Boys' Baseball team might be in for disaster, right? Wrong. The team is still optimistic about their upcoming season and should be a force to be reckoned with come playoff time.

"We have a strong team that is really determined this year," said senior centre-fielder Kyle Williamson. "We're going to play game

by game to get ourselves to where we want to be."

The Raiders look to improve on their 8-2 record of last year. This may be easier said than done with the addition of Villanova likely to halt the uprising of the Raiders.

That being said, there are many upsides to the boys' season. On offence, the Raiders will rely heavily on senior outfielder Josh Brohman who is already being recognized for his power in only his second year of high school ball. The defensive side is anchored by a strong pitching rotation consisting of seniors Chris Warren, Kyle Kokovai and Tyler Campbell.
