HOW TO PLAY:
Fill in the grid so that every row, every column and every 3 x 3 box contains the numbers 1 through 9 only once.
Each 3 x 3 box is outlined with a darker line. You already have a few numbers to get you started. Remember: you must not repeat the numbers 1 through 9 in the same line, column or 3 x 3 box.

This calendar of events is compiled as a free public service for non-profit groups and appears on a space-available basis. While we endeavour to fill requests for publication, we cannot guarantee publication of all events submitted and cannot accommodate requests for multiple insertions or lengthy descriptions.
