

Phil's Esso Service Says...

PERSONAL SERVICE A MUST!

Phil says Personal Service is his biggest asset! It's something not found much anymore, because of the increasing number of self serve stations opening up. That's why at Phil's Esso you can still get the attention you so rightfully deserve.

By letting one of my 3 trained technicians get to know your car, it could possibly save you those extra few dollars. Really... no one person needs that extra expense with prices being so high nowadays! Right?

Last year, we received an Outstanding Performance Award in car maintenance. It's an award that only 30 of 250 Metropolitan Toronto Esso Dealers received.

That's why I'm confident in my staff and would like to invite everyone in to deal with us. You'll be glad you did! Ensure your car and yourself, by visiting us regularly at:

We're also PRACTICAL which means an eye on the household budget.

AND the needs of the gals (and guys) who spend a lot of time in the kitchen.
