

# 150 YEARS YOUNG

It is with Particular Pride That We Salute Your Home And Ours — OAKVILLE — During This Wonderful 150 Years Of Progress.

## JUST THINK OF IT — 150 YEARS!

It's delightfully evident in the graciousness, the charm, the balance of the community. A community that looks eagerly ahead yet can pause in appreciation of the wonderful bygone days.

## 150 YEARS

That's twice as old as Ford of Canada. We were incorporated August 17th, 1904, and in 1953 the Ford Family joined the Oakville Family. As Oakville has grown, so has Ford — in plant, in employment opportunities, and in the Ford Family of Fine Cars (and Trucks)

**HAPPY 150th - AND THANK YOU FOR THE  
24 HAPPY AND PROSPEROUS YEARS  
WE'VE ENJOYED  
IN OAKVILLE.**
