# "HI NEIGHBOR"

For 150 Years Now  
Oakville Has Been The  
"Good Neighbor Community"

We at Kennedy Ford are pleased to join with all of our fellow citizens in saying "Hi Neighbor" on this, the 150th anniversary of the acquisition by Mr. Chisholm, of the land which has become "Our Town."

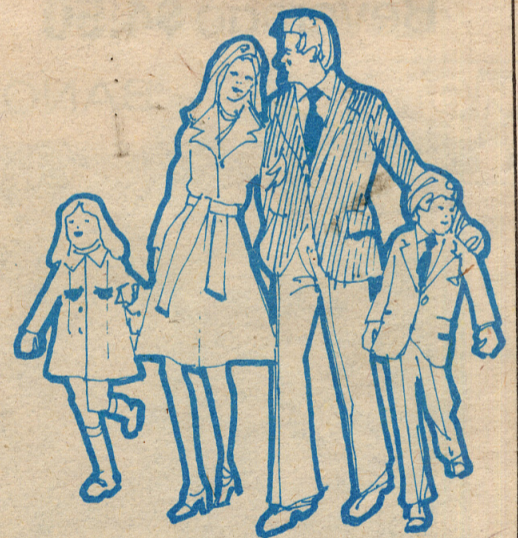

We're glad we're here. Oakville is a good place to live, to work, to play, and to enjoy the good life.

Kennedy Ford is your Ford factory town dealer, conveniently located on the Lakeshore, just west of Kerr Street.

We *KNOW* cars and trucks, and we try very hard to look after all of your transportation needs.

In addition to new vehicle sales, we lease all makes of cars at very competitive rates, we have fully equipped service facilities staffed by Ford Registered Technicians, and a completely modern body shop to handle all repairs and paint requirements.

Need an extra car or truck for just a day or week — we rent clean new Fords for a very reasonable charge.

## *KENNEDY FORD PEOPLE ARE OAKVILLE PEOPLE.*

Wherever you go — service clubs, sports events, community projects, church activities — you'll likely meet someone from Kennedy Ford — involved, helpful, concerned.

Come and see us! We're proud of Oakville, we're proud of the fine Ford products we sell, and we'd be proud to serve you.
