

Barbette first opened on April 5, 1958, under the name of "The Sign of the Stork". The original location was an old farm house on the south side of Lakeshore Road, between Allan and Reynolds Street and the Shop specialized in maternity wear and

fine lingerie. In the spring of 1965 we moved across the street to our present location at 351 Lakeshore Road, East. There have been many changes in the past few years — the maternity wear has gone, we have a new name and most recently, we have had a facelift — but we still offer the same high quality, in lingerie and loungewear plus the added touch of personal service!
