Dear Russ:  
It gives me great pleasure to congratulate the  
Oakville Journal Record for 100 successful years of  
service to our community.  
I have been reading your paper since 1946, the year  
my family first came to Canada. During the years  
your newspaper has informed, amused and enter-  
tained me. It has continually answered the needs of  
the community by providing leadership and ser-  
vice.  
Leita and I compliment you and your very compe-  
tent staff on a job well done. May you have another  
100 years of continued success in our community.

Best personal regards,

*Otto Jelinek*
