

June 5, 1947

## We salute the Journal Record's first century of service to Oakville!

In an era when newspapers are making headlines by closing down, this is the kind of achievement that's heartening and praiseworthy.

Best wishes to you!

We, too, take pleasure in serving this fine community with all the energy and skill we can muster. . . and in using this community newspaper to remind people of our presence and to announce any new developments that could benefit them.

## TIMES HAVE CHANGED!

### 1950

Everyone remembers Ted's Garage located on Lakeshore Rd. and Trillium in what was then the Town of Bronte. Ted Wilson, Proprietor, started the business in May 1950, with the idea of providing full service to each and everyone of his customers.

### 1980

Ted is now operating Whitakers Shell on 3rd Line at Speers Rd. While the times have changed, the service hasn't. Ted still maintains the full service that the customers of Ted's Garage enjoyed.

## Whitakers Shell

645 3rd Line 825-0338

"I would be embarrassed at the honours that are being heaped upon me on this unforgettable night, were it not for the fact that in honouring me, you are also honouring that vast army of thinkers and workers of the past and those who will carry on, without whom my work would have gone for nothing. If I have spurred men to greater efforts, and if our work has widened the horizon of thousands of men and given a little measure of happiness in the world, I am content."

As Thomas Edison stated on the 50th Anniversary of his famous lamp (1929) -
