DEFERRED NEWS.

LORD ELOIN,-The Nora Scotia, arrived yesterday, brings intelligence that the Earl of ELGIN has been appointed Governor General of India.

Boston, August 1st .- The British brig Herald, which was captured July 14, and taken to Philadelphia for attempting to run the blockade, as reported yesterday, clear. ed for Boston, May 27th, ostensibly for Turks Island, but was then chartered by parties in New York for Beaufort, South Carolina, with the intent to try the experiment of running the blockade. It is well known in this city and the city of New York that other British vessels have left these ports within thirty days for Wilmington and other ports in North Carolina, to take cargoes for England and the British Provinces.

The royage of the Great Eastern to Quebec and home, says the Montreal Commercial Advertiser of the 7th is commercially the best she has yet made. She sailed at four o'clock yesterder morn. ing, with three hundred and forty five passengers and about four thousand tons of THE undersigned, in returning thanks to freight. Of the passengers 222 were cabin past favors, respectfully informs them that havand 123 steerage; the passage money am- ing recently enlarged his store and very much ounting to \$20,000. A much larger INCREASED HIS STOCK, freight might bave been taken, but this would have occessifated taking down the fitting for the troops, which, as the vessel Men's French Call Boots, from ... will probably return with soldiers, was con- Men's Kip Boots. sidered unadrisable. The number of visit. Men's Coarse Boots, ors to the ship was about 14 000, a much Men's Coarse Cobourgs, smaller number than was anticipated, and Women's Balmoral Boots, " the receipts from this acource about And a great variety of children's and Misses

land, has fabricated a barning-glass of is three feet; its powers are astonishing; the most hard and solid substances of the mineral world; such as platina, iron, steel, flint, &c., are melted in a few seconds on being exposed to its intense focus. diamond, weighing ten grains exposed to this extraordinary lens for half an hour, was reduced to six grains, during which process it opened and foliated like the fames, and when closed again it bore a polish and retained its form.

PRINCE NAPOLEON.-Prince Napoleon, born in 1822, is fourteen years On Mill Street, with every offersary conyounger than his cousin, the Emperor Na- himself. This property will be sold cheap for poleon III., and, in the event of the cash, or Prince Imperial's death, stands next the p throne in the direct line of succession, as Exchanged for Farm Empire at the close of 1852. He is gertleman of average knowledge and ability. He is fond of foreign travels, hav not lung ago. In one respect, Prince Na- major part under a good state of cultivation : poleon is what may be called a personal together with curiosty-from his remarkable likeness, Twenty Acres of Bush Land in feature and form, to his uncle, the first Napolon. This resemblance is positively starling, and at first sight, every looker-on coaot help perceiving it .- Pilot. HOYTHE REBELS GET INFORMATION.

—A Vashington letter to the Philadel phip Pens says :- "It is as easy for the relef atmy to obtain a daily mail from Vashington as it is for our army at Alexandria to receive their letters. Our market mensome from the very districts in Virginia that are now occupied by the pickets and scouts of the rebels. Acting in concert with these, ladies in Washingmarket with their baskets, the contents of which are package of letters for the other | reported to Beauregard and Jeff. Davis. made of good It is on very-body's tongue here that Beauregard was presented with a sword on Saturda from friends in Washington.
