

Stouffville Says

Did you make a New Year's resolution?

By Hannelore Volpe

Doug BENEDICT

New Year's resolutions only last one day. For example, you can stop smoking in between cigarettes.

John MACLENNAN

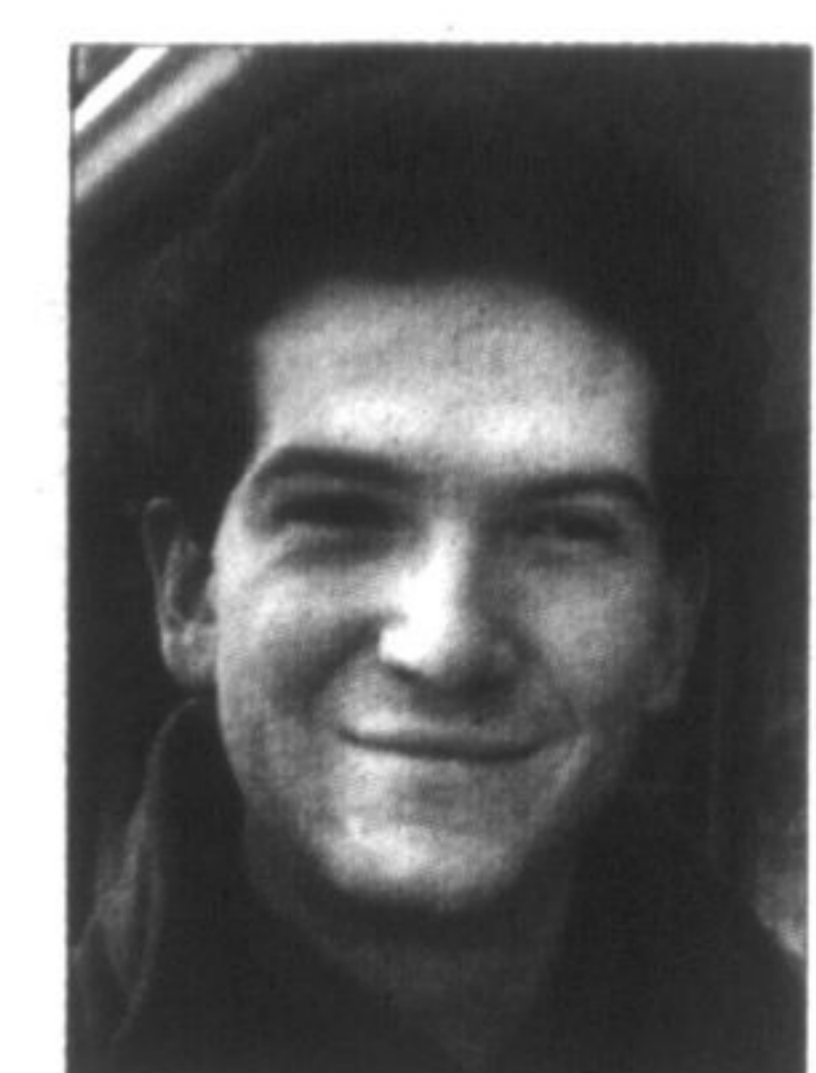

My New Year's resolution is to stay good in school and to write neater. I don't know if I kept last year's resolution.

Nasim DEL SIGNORE

I have never made a New Year's resolution. People say, 'I want to lose weight. I want to be healthy,' but I try to do that every day.

Josh DEL SIGNORE

People need to look at every day as a new start. Every day you wake up in the morning, you can treat it as a new year.
