## THE LADY'S FRIEND. GODEY'S LADY'S BOOK.

For 1862. THE WORLD'S FAVORITE For 32 Years the Standard Magazine; Pronounced by the Press of the United States, THE BEST Lady's Magazine in the World, and the Cheapest.

THE LITERATURE is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the Book.

THE BEST LADY WRITERS in America contribute to its pages, and we have some that write for no other magazine.

THE MUSIC is all original, and would cost 25 cents (the price of the Book) in a music store; but most of it is copyrighted, and cannot be obtained except in "Godey."

OUR STEEL ENGRAVINGS All efforts to rival us in this have ceased, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

GODEY'S IMMENSE DOUBLE SHEET FASHION PLATE. Containing From five to seven full length Colored Fashions on each plate. Other magazines give only two, FAR AHEAD OF ANY FASHIONS IN EUROPE OR AMERICA.

Godey's is the only work in the world that gives these immense plates, and they are such as to have excited the wonder of publishers and the public. The publication of these plates cost \$10,000 MORE than Fashion-plates of the old style, and nothing but our wonderful large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefited.

These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so called fashion magazines.

OUR WOOD ENGRAVINGS, of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any others.

IMITATIONS. Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, you want no other magazine. Everything that is useful or ornamental in a house can be found in Godey.

DRAWING LESSONS. No other magazine gives them, and we have given enough to fill several large volumes.

OUR RECEIPTS are such as can be found nowhere else. Cooking in all its variety—Confectionery—the Nursery—the Toilet—the Laundry—the Kitchen. Receipts upon all subjects are to be found in the pages of the Lady's Book. We originally started this department, and have peculiar facilities for making it most perfect. This department alone is worth the price of the Book.

LADIES' WORK TABLE. This department comprises engravings and descriptions of every article that a lady wears.

MODEL COTTAGES. No other magazine has this department.

Terms to Subscribers in the British Provinces. One copy one year, \$3. Two copies one year, \$5. Three copies one year, \$6. Five copies one year, and an extra copy to the person sending the club, making six copies, \$11 25.

At these prices subscribers in the Provinces will have no American postage to pay.

SPECIAL CLUBBING WITH OTHER MAGAZINES. Godey's Lady's Book and Arthur's Home Magazine both one year for \$3 50

Godey's Lady's Book and Harper's Magazine both one year for \$4 50

Godey, Harper, and Arthur will all three be sent one year, on receipt of \$6 00

Treasury Notes and Notes of all solvent banks taken at par

Be careful and pay the postage on your letter. Address L. A. GODEY, 323 Chestnut Street, Philadelphia, Pa.
