

YEAST.—Boil one pound of flour, quarter of a pound of brown sugar and a little salt in two gallons of water for one hour. When milk warm bottle and cork it close. It will be ready for use in twenty-four hours.

AN EGG IN A BOTTLE.—To accomplish this seemingly incredible act requires the following preparation: You must take an egg and soak it in vinegar, and in process of time its shell will become quite soft, so that it may be extended lengthwise without breaking; then insert it into the neck of a small bottle, and on pouring cold water upon it, it will assume its former figure and hardness. This is really a curiosity, and baffles those who are not in the secret to find out how it is accomplished.

The Post Royal correspondent of the N. Y. Herald says that the steamer Peerless, of the naval expedition, which was wrecked in the gale, was the boat of that name so well known to our citizens, as having plied between Lewiston and this city. That is \$52,000 gone!—Leader.

DR. LA CROIX'S

PRIVATE MEDICAL TREATISE
ON THE
PHYSIOLOGICAL VIEW OF MARRIAGE.

250 PAGES AND 130 ENGRAVINGS.—
Price only TWENTY-FIVE CENTS. Sent free of postage to all parts of the Union. On the intricacies of youth and maturity, disclosing the secrets of both sexes of all ages, causing debility, nervousness, depression of spirits, palpitating of the heart, sexual excess, defective emission, blushing, defective memory, impotence and lassitude, with confessions of thrilling interest of Boarding School Misses, College Students, and a Young Married Lady, &c., &c. It is a truthful adviser to the married and those contemplating marriage, who entertain secret doubts of physical condition, and who are conscious of having jeopardized the health, happiness, and privileges to which every human being is entitled.

YOUNG MEN who are troubled with weakness, generally caused by a bad habit in youth, the effects of which are dizziness, pains, forgetfulness, sometimes, a ringing in the ears, weak eyes, loss of memory, with melancholy, may be cured by the author's NEW PARIS AND LONDON TREATMENT.
We have recently devoted much of our time in VISITING THE EUROPEAN HOSPITALS, availing ourselves of the knowledge and researches of the most skilled Physicians and Surgeons in Europe and the Continent. Those who place themselves under our care will now have the full benefit of the many NEW AND EFFICACIOUS REMEDIES which we are enabled to introduce into our practice, and never failed, will use speedily cure any and every ailment, without any but Dr. D. Laney's Female Periodical Pills. The only precaution necessary to be observed is, ladies should not take them if they have reason to believe they are in certain situations (the particulars of which will be found on the wrapper accompanying each box), though always safe and healthy, so gentle, yet so active are they.

TO THE LADIES—Who need a confidential medical adviser with regard to any of those interesting complaints to which their delicate organization renders them liable, are particularly invited to consult us.
"THE ELECTRIC GALVANIC PROTECTIVE"—For married ladies whose health will not admit, or who have no desire to increase their families, will be obtained as above. It is a perfectly safe preventive to conception, and has been extensively used during the last 20 years. Price reduced to \$10.

The Secrets of Youth Unveiled.
A Treatise on the Cause of Premature Decay—A solemn warning. Just published, a book showing the insidious progress and prevalence among schools, [both male and female,] of this fatal habit; detailing the pathology that invariably attends its victims, and developing the whole progress of the disease, from its commencement to the end.
It will be sent by Mail on receipt of two [3] 10c Stamps.
Attendance daily, from 8 in the morning '9 at night, and on Sundays from 2 to 5, p. m. Medicines with full directions sent to any part of the United States or Canada, by patient communicating their system by letter. Business correspondence strictly confidential.

NEW COPPER PLATE MAP OF CANADA WEST
Messrs TACKABURY, BROS. & Co. OF LONDON, C. W.,
ARE ABOUT TO PUBLISH A LARGE, FULL AND COMPLETE TOPOGRAPHICAL COUNTY TOWNSHIP MAP OF CANADA WEST.

THIS MAP IS BEING PREPARED FROM full and complete surveys of the entire Province, and will show Upper Canada with far greater minuteness of detail than any work of the kind heretofore attempted. The Map will be drawn on the scale of six miles to the inch, and will show each County divided into Townships and in each Township the Concession and Lots will be shown, with their respective numbers. All Roads will be shown, and those which are travelled will be designated from surveyed roads which are not open. Particular attention will be given to main, gravel, plank, macadamised roads. The location of all Towns and Villages will be shown, and those which have Post-offices will be designated, from those which have not. All the Rivers, Lakes and Hills will be shown, with the general topography of the country. The various Railroad Lines will be a prominent feature of the Map, and each Depot and Station will be carefully shown. Prominence will be given to the principal Cities and Towns, by an enlarged plan of each in the margin of the Map.

There will also be Geological and Meteorological Map, as well as a Time Table, Table of Distances, and the General Statistics of the Province as shown by the new Census; also, a Business Directory of the Cities and principal Towns.
The size of the Map will be Sixty-four inches square, will be
Handsomely Engraved on Copper
beautifully colored and mounted, and finished in the highest style of the art, and will be furnished to Subscribers at SIX DOLLARS per copy—while other works of a similar style sell at ten dollars.

Agents are now canvassing or Subscribers in one parts of the Province not already canvassed, and all will be called upon in due time. The public are cautioned to beware of impostors, as parties are endeavoring to obtain Subscribers for a Map which purports to be similar, but is only intended to be a Lithograph Map, made on stone, which can in no way compare with a Copperplate Engraving.
See from the Prospectus in the Subscription Book, that it is TACKABURY BROTHERS' Map of Canada West.

DARLING'S LIVER REGULATOR,
AND
LIFE BITTERS,
Are pure vegetable extracts. They cure all bilious disorders of the human system. They regulate and invigorate the liver and kidneys; they give tone to the digestive organs; they regulate the secretions, and exhalations, equalize the circulation, and purify the blood. Thus, all bilious complaints—some of which are Torpid Liver, Sick Headache, Dyspepsia, Piles, Chills and Fevers, Costiveness or Looseness—are entirely controlled and cured by these remedies.

DARLING'S LIVER REGULATOR
Removes the morbid and bilious deposits from the stomach and bowels, regulates the liver and kidneys, restoring every obstruction, restores a natural and healthy action in the vital organs—it is a superior
FAMILY MEDICINE,
Much better than pills, and much easier to take.
Darling's Life Bitters
Is a superior tonic and diuretic; excellent in cases of loss of appetite, flatulency, female weakness, irregularities, pains in the side and bowels, bilious protruding and bleeding piles, and general debility.

DARLING'S LIVER REGULATOR
AND
LIFE BITTERS,
And now consider myself entirely cured.
Hon. John A. Cross, writes, "Brooklyn, March 15, 1860. In the spring of 1859 I took a severe cold, which in-luenced a violent fever. I took two doses of
Darling's Liver Regulator.
It broke up my cold and fever at once. Previous to this attack I had been troubled with dyspepsia several months; I have felt nothing of it since."
Otis Studley, Esq., 128 East 28th street, N. Y., writes: "August 14, 1860.—I had a difficulty with Kidney Complaint three years, with constant pain in the small of my back. I had used most all of kind-s of medicine, but found no permanent relief until I used
DARLING'S LIVER REGULATOR
AND
LIFE BITTERS.
I passed clotted blood by the urethra. I am now entirely cured, and take pleasure in recommending these remedies."

Mrs. C. Tabor, 11 Christopher Street, N. Y., writes: "Feb. 20, 1860.—I have been subject to attacks of Asthma, the last twenty years. I have never found anything equal to
Darling's Liver Regulator,
in affording immediate relief. It is a thorough Liver and bilious remedy."
Mrs. Young, of Brooklyn, writes, "February 28, 1860.—In May last I had a severe attack of Piles, which confined me to the house. I took one bottle of
DARLING'S LIFE BITTERS,
and was entirely cured. I have had no attack since."
D. Westervelt, Esq., of South 5th, near 8th Street, Williamsburg, L. I., writes: "August 5, 1859.—Having been troubled with a difficulty in the Liver, and subject to bilious attacks, I was advised by a friend to try
DARLING'S LIVER REGULATOR.
I did so, and found it to operate admirably, removing the bile and arousing the liver to activity. I have a so used it as a
FAMILY MEDICINE.
When our children or out of sorts, we give them a few drops and it sets them all right. I find it meets the general wants of the stomach and bowels when disordered."
Readers, if you need either or both of these most excellent Remedies, inquire for them at the stores; if you do not find them, take no other, but include One Dollar in a letter, and on receipt of the money, the Remedy or Remedies will be sent according to your directions, by mail or express, postpaid.
