The Right Hon. the Lord Mayor of LONDON,

and sitting Magistrates of Marlborough Street. Westminster. Worship Street, Row Street, &c. Used by the most celebrated Medical Men, Clergymen, and others.
Dr. Buchan's Sugar-Coated Sarsaparilla Pills.
IT is a WELL-KNOWN FACT that SARSAPARILLA is the greatest purifier of the blood in the world. KEEP YOUR BLOOD PURE!—The Bowels regular!!—And DEFY the DOCTOR!!! These Pills strike at the root of each disease, and are for the cure of every ailment incidental to Man, Woman, and Child, such as all eruptions on the Skin, Indigestion, Billous, Liver, and Stomach Complaints, General Weakness, Gout, Rheumatism, Lumbago, Pains in the Limbs, Headaches, Sore Throats, and every complaint caused by irregularities of the bowels, obstructed perspiration, and deteriorated and unhealthy blood. These Pills work their very way to the root of each disease, cleansing in their passage especially where mercury has been taken, and removing every unhealthy accumulation, till the blood is purified, the whole system renovated, and all the functions acting according to nature, the duties of life become a pleasure, where before they had been sad and weary burdens. Do not hesitate—do not delay! a clean stomach must make a clean body. A clean body will contain pure blood, when the stomach, body and blood are pure, from regulating and cleansing the bowels, health is certain. Begin at the beginning, waste no time; strike at the root of your ailment.—Again, I say, look to your stomach. One trial of these Pills will force conviction,

TO THE INDEPENDENT
ELECTORS,
OF THE
COUNTY OF GREY
GENTLEMEN—
The Governor General having dissoved Parliament, you are called upon to elect a person to represent you in the House of Assembly. Having been on two different occasions, honored with your confidence, it will be my privilege at the ensuing Election to accept your verdict on my past Parliamentary conduct and your estimate of my fitness for the discharge of the important duties which devolve upon a member of the Legislature. If I have discharged these duties satisfactorily to you, it is reasonable to expect that your votes will place me at the head of the Poll.
My views on the political and constitutional questions which must engage the attention of the Legislature will be presented to you at the various public meetings which I hope to be able to attend, in every Township, before the day of Election.
For a brief period, this Province has been ruled by a Government of which the greatest recommendation was its weakness and inefficiency.
The Macdonald-Sicotte Administration, which I assisted to overthrow, has dragged itself along for a period of twelve months, through a course strewn with broken promises, treacheries, and deliberate attempts to cause the loyalty and good faith of the Province to be suspected in England.
I cannot doubt but that in the coming contest you will rise above the feverish factions of the hour, and that your votes will be recorded in defence of those principles which have made the British Empire the envy and glory of the world.
I am, gentlemen,
Yours respectfully
GEORGE JACKSON.

PROSPECTUS OF THE
TWELFTH VOLUME
OF THE
ATLANTIC MONTHLY.
The July number commences the Twelfth Volume of the *Atlantic Monthly*, and will contain such a list of contents as will entitle it to marked consideration. Nathaniel Hawthorne contributes for the first number of the new volume "Outside Glimpses of English Poverty," one of the most interesting of his admirable English Sketches. Oliver Wendell Holmes has written for it "The Doings of a Sun-Beam." Robert Dale Owen discusses "The Claims of Labor or Service," and presents some new views for the study of the people of America. Gail Hamilton continues her popular "Gala Days." Professor Agassiz offers another eloquent paper on Mountains. And many other articles, of equal value with the above, will be included in the forthcoming number.
Begun in 1857, the *Atlantic Monthly* has now reached its sixty-eighth number. Its circulation increasing largely from the start has given it such a currency throughout the country as no other American magazine has ever acquired. Its faith in impartial liberty as a principle, and its warfare against Despotism in every form, have made it a welcome visitor, far and wide, every month. It does not abate, one jot of that firm belief in the brighter days to come which Right and Justice are sure always to win, but future pages will show an increased activity in placing before the minds of the people an unfaltering confidence in the power of the North to limit the existence of a rebellion founded in cruel injustice and oppression
The prosperity of the *Atlantic* enables its conductors to employ the most eminent talent of the country in its columns. All the best known writers in American literature, contributing constantly to its pages, give it the sole right to be known as our *national* magazine. Its staff still comprises the following names among its leading contributors:

James Russell Lowell,	George S. Hillard,
Henry W. Longfellow,	Henry Giles,
Louis Agassiz,	Walter Mitchell,
Ralph Waldo Emerson,	Henry T. Tuckerman,
Nathaniel Hawthorne,	John Weiss,
C. C. Hazewell,	Mrs H. B. Stowe,
T. W. Higgison,	Harriet Martineau,
Author'Margret Howth,'	Charles Reade,
Mrs. Julia W. Howe,	"The Country Parson,"
Mrs. A. D. T. Whitney,	Rose Terry
Oliver W. Holmes,	Harriet E. Prescott,
John G. Whittier,	Robert T. S. Lowell,
E. P. Whipple,	J. T. Trowbridge,
Bayard Taylor,	Edward Everett,
Charles E. Norton,	Professor A. D. White.

The foregoing list, it will be seen, includes the
LEADING AMERICAN WRITERS,
And is such as to warrant the publishers in promising
The Best Essays,
The Best Stories,
The Best Poems,
Which American talent can furnish.
