THE FOLLOWING REMARKS ON I Testimonials of most wonderful and extraordinary cures in Canada by the GREAT INDIAN REMEDY. They are stern, undeniable and incontestable facts, sufficient to convince the most skeptical that the Great Medical Compound yearned after for ages is now accessible in the Great

Shoshonees Remedy! For Diseases of the Throat, Lungs, Liver, Digestive Organs, Kidneys, &c., as well as Scrofula, the various Skin Diseases, Humois, and all diseases arising from impurities of the blood, we boldly state that this great remedy has NEVER BEEN EQUALLED. Where was there ever such a cure as that in the person of Wilson Storms, of Brighton, Ont., of Consumption; or that of Peter C. V. Miller, of Earnestown, Ont., of Consumption t or that of Ambrose Wood, of Consecon, Unt., of Dyspepsia and Liver Complaint, or that of John Hosey, of Napanee, Ont., of Rheumatism, who had actually been on crutches for years, in spite of all treatment heretofore, and is now well.

Scores of such cases might be mentioned had we space.

Manoc, County of Hastings, Province of Ontario, Feb. 9th, 1869. This is to certify that during the winter of 1866 I was taken with a weakness of the ankles, which gradually, during the spring of 1867, extended to my knees, and on up to my hips, and I became so weak that I could not walk, but was confined to my chair. For about two years, while this weakness was coming on me, and afterwards, I sought medical advice, employing at different times, three doctors, and medi-cines of different kinds prescribed by friends, but of no avail. I continued to get worse and worse, until the summer of 1868, when I was induced to try the great Shoshonees. Remedy by reading the cures performed, in a pamphlet. At this time I had begun to feel the weakness in my hands; in fact I was getting almost helpless. I have taken two bottles of the shoshonees Remedy and two boxes of the pills, and I am entirely restored to health. I never expected to get better, but simply tried the medicine as a sort of forlorn hope. This case of mine sifficied as I was, I have only to say try the Shoshonees Remedy, I believe it will care MARY ANN DOUGHTY. Sworn to before me at Madoc, County of

Hastings this ninth day of February, 1869: A. F. Wood, J. P. &c. I hereby certify that I have known Mrs. Mary Ann Doughty for the last fifteen years, she is a woman of probity and truth. I have known her before, during, and since ber illness. I believe her certificate to be true in every particular. I know that while ill her case was declared hopeless; and I know that she has, since her recovery always attributed her recovery to the Sho shonees Remedy. Whatever may be the peculiar properties of this medicine, one thing is certain that in her case, it has actied almost like the performance of a miracle. Warden of the county of Hastings, Pro-
