THE FOLLOWING REMARKS ON I Testimonials of most wonderful and extraordinary cures in Canada by the GREAT INDIAN REMEDY. They are stern, undeniable and incontestable facts, sufficient to convince the most skeptical that the Great Medical Compound yearned after for ages is now accessible in the Great

Scrofuls, the various Sk in Diseases, Humois, and all diseases arising from impurities of the blood, we boldly state that this great remedy has NEVER BEEN EQUALLED. Where was there ever such a cure as that in the person of Wilson Storms, of Brighton, Ont., of Consumption ; or that of Peter C. V. Miller, of Earnestown, Ont., of Consumption; or that of Ambrose Wood, of Consecon, Ont., of Dyspepsia and Liver Complaint, or that of John Hosey, of Napanee, Ont., of Rheumatism, who had actually been on crutches for years, in spite of all treatment heretofore, and is now well. Scores of such cases might be mentioned

had we space. Call at the Drug Stores and get a circular, of unquestionable certificates on the GREAT SHOSHONEES REMEDY & PILLS, and satisfy yourselves.

To Messrs. CHAMBERLAIN & SILLS, CODWAY P. O. County of Lennox, Ontario, Can-

Madoc, County of Hastings, Province of Ontario, Feb. 9th, 1869. This is to certify that during the winter of 1866 I was taken with a weakness of the ankles, which gradually, during the spring of 1867, extended to my knees, and on up to my hips, and I became so weak that I could not walk, but was confined to my chair. For about two years, while this weakness was coming on me, and after-wards, I sought medical advice, employing at different times, three doctors, and medi-cines of different kinds prescribed by friends, but of no avail. I continued to get worse and worse, until the summer of 1868, when I was induced to try the great Shoshonees two boxes of the pills, and I am entirely restored to health. I never expected to get better, but simply tried the medicine as a sort of forlorn hope. This case of mine was not a private one, but known to all my neighbors and friends; and to any one afflicted as I was, I have only to say try the Shoshonees Remedy, I believe it will cure MARY ANN DOUGHTY. Sworn to before me at Madoc, County of

Hastings this ninth day of February, 1869. A. F. Wood, J. P. &c. I hereby certify that I have known Mrs. Mary Ann Doughty for the last fifteen years, she is a woman of probity and truth. I have known her before, during, and since her illness. I believe her certificate to be true in every particular. I know that while ill her case was declared hopeless; and I know that she has, since her recovery always attributed her recovery to the Sho-shonees Remedy. Whatever may be the peculiar properties of this medicine, one thing is certain that in her case, it has acted almost like the performance of a miracle.
