Wellington, Grey and Bruce Railway.
We are happy to be able to announce that Mr. Proctor, who is now in England, having completed the contract for the iron to lay the track of the Wellington, Grey and Bruce Railway, from Toronto to Hamilton, is about to return home. The financial arrangements of the Company are now complete, and the work is being pushed forward as rapidly as possible. There has been some delay caused by the withdrawal of the former contractors, but there is an abundance of competitors of means and ability ready to take hold of the work as soon as the necessary preliminary arrangements have been completed. We had the utmost confidence in the officers and directors of the company at the commencement of the enterprise, and we still have the same confidence. We have no doubt that the railway will be completed at the earliest day it is possible for the whole length of the road to Lake Huron will be pushed to completion at the earliest day it is possible for the capital and labor to accomplish it. —Hamilton Times, 28th inst.

THE FERRIS.—Osgood is now looking upon the railway project for the Ferris. The Ferris may be a good one, but the attempt to invest in it only to be disappointed in the Dominion, and those that determined to invest in it are now looking for a better chance. The Ferris is now looking for a better chance. The Ferris is now looking for a better chance.

THE FOLLOWING REMARKS ON Testimonials of most wonderful and extraordinary cures in Canada by the GREAT INDIAN REMEDY. They are strong, undeniable and incontrovertible facts, sufficient to convince the most skeptical that the Great Medical Compound prepared after for ages is now accessible in the Great Shoshonees Remedy!
For Diseases of the Throat, Lungs, Liver, Digestive Organs, Kidneys, &c., as well as Scrofula, the various Skin Diseases, Humors, and all diseases arising from impurities of the blood, we boldly state that this great remedy has NEVER BEEN EQUALLED. Where was there ever such a cure as that in the person of Wilson Storms, of Brighton, Ont., of Consumption; or that of Peter C. V. Miller, of Exeter, Ont., of Consumption; or that of Ambrose Wood, of Concession, Ont., of Dyspepsia and Liver Complaint; or that of John Hovey, of Niagara, Ont., of Excessive Cough, who had actually been on crutches for years, in spite of all treatment heretofore, and is now well. Scores of such cases might be mentioned had we space.
Call at the Drug Store and get a circular, of unquestionable certificates on the GREAT SHOSHONEES REMEDY & PILLS, and satisfy yourselves. Price of the Remedy in large pits \$1. For sale by all Druggists and Dealers in Medicine. Wholesale Agents—Northrop & Lyman, Newcastle, Ljman, Elliott Co., Toronto.
