Edwards' Message.

The subscriber takes this opportunity of informing his numerous friends and customers, and the public generally, that the various Departments of his Business are replete with everything that is attractive, substantial, and useful.

Watch, Clock and Jewelry Department.

Fine Gold Watches, varying in price from \$25 to \$300; Fine Silver Watches from \$7.50 to \$60, all warranted to give entire satisfaction. The variety of Clocks that is kept constantly on hand, and the exceedingly small advance which is asked, renders EDWARDS' establishment the most desirable place in Grey to buy Clocks. Indeed, the notion that is sometimes entertained that you must go to Toronto or Hamilton to make suitable selections, is at once dissipated when you enter the subscriber's Store. He would call particular attention to his stock of FINE GOLD JEWELRY, which for quality and design is incomparably ahead of anything in Grey. Fine Gold Sets, Fine Gold Brooches, Fine Gold Rings, Fine Gold Chains, Fine Gold Ear Rings, Fine Gold Lockets, Fine Gold Charms, Cuff Buttons, Coilar Buttons, Studs, all Fine Gold; no one can fail to be suited that wants to buy.

ELECTRO-PLATED WARE.

The stock of Electro-Plated Ware will be found very choice. Cruet Stands, Cake Baskets, Pickle Frames, Forks and Spoons, and a very select assortment of Cutlery, by the most reliable makers.

SPECTACLES! SPECTACLES!

GOODS!

English and French Fancy Goods are prominent features in EDWARDS' Display of Attractions. The friendship that requires a momento for the Holiday Season, can easily be immortalized by the scope that is offered for the exercise of benevolent friendship in the Fancy Goods Department at EDWARDS'.

REPAIRING DEPARTMENT.

The Repairing of Watches, Clocks and Jewelry receives special attention, and better satisfaction is not given in any other establisement anywhere. The public may rely on having any want supplied in this particular.

BOOKS! BOOKS!

Under this particular head, the undersigned would take occasion to remark that there is perfect harmony between the Watch and the Beok Trade: that the two work together very nicely indeed, and that after two years' experience he is convinced that a zest for refined literary and scientific research may be effectually cultivated. Standard and Miscellaneous Books are well chosen, and well adapted to the wants of the enlightened and intelligent people of Durham and surrounding country.

SCHOOL BOOKS SCHOOL BOOKS!

School Books at Edward's will be found very extensively. Every inducement and encouragement are given to School Children to make the best use of the opportunities which Free Schools and Edward's Cheap School Books present; for apart from any mercenary motive, Edwards is persuaded that Education is the real cure for every social evil. A liberal discount to Teachers.

Statisted Ballery.

Pens, Inks, Note Papers, Foelscap, Bill Paper, Envelopes, &c. The attention of the business community is particularly called to this Department. Those who refrain from giving Edwards a share of their patronage stand very much in their own light, as he is in a position to do better for them than can be done elsewhere. A trial is respectfully suggested.

The largest assortment of Toys in Dutham at Edwards'. Toys are instruments by which infant muscle is developed. Their place in the economy of development is a very important one, and money expended in Toys is well invested.

New Music and Musical Instruments,

PIANOS AND MELODEONS

Violins, Guitars. Flates, Concertinas, Harmonicas and Music Books, all in great variety. The Violins which Edwards has for sale are positively the best in Durham! They were imported direct from Germany last summer, and are entirely too good for ordinary Vieux Temps or Peganinnies. Will be sold

PAPER-COLLARS, GUFFS & FRONTS.

In this department the subscriber has paid particular attention, bein, careful to select only the best and most fashionable styles, and he feels confident that he can satisfy the most fastidious tastes.
