LIFE'S HISTORY.

CHAPTER II.

WITHIN THE VEIL. "Where the lamps quiver

So far in the river, With many a light From window and casement, From garret to basement, She stood with amazement, Houseless by night."-

Masterton's head after the opening of all the medley of voices and sounds, had befriended her all her pitiful story. 13, 1858, but 67 survived. her career-four weary downward tendthe years of brighted hopes and unful filled aspirations. She made the one great mistake of her life within a twelvemonth of her entering her new profession, tection, and shelter, and love to boot, with a passionate fidelity, and all a woman's longing for something to love .she learned how eadly she had been deshe possessed had been her chief attracbrought to her aching heart, went even her reckless, dissolute husband.

"She had lost her good looks," he said, "and nobody cared for an actress who had always a baby dragging about with her; she must put the child out to

But Rachel was resolute. All the pent-up affection of her woman's heart only the LATEST but also the vented itself on her infant, and she would BEST of its kind, before the not part with it. Her husband might ill treat her if he chose, might neglect her as he would; she had her baby, and for its dear sake she would strive to bear all. What she did bear, only those who THAT the Lockman Machine, altho' have been placed in her position can not much exceeding in price the tell; all helpless wives, and neglected

factured anywhere, is yet loving mothers, can sympathize with INCOMPARABLY superior her. And time wore on, and the father to any cheap machine yet she had so nobly kept from all sorrow and suffering died in peace and quiet at the home her sacrifice had provided for him, and her money was hers once more. No, not hers, her husband's ; in her blind faith in him she had made no settle-LARITY in the short time it has ments, and it went, as everything else had done, to the four winds. For a few months there was plenty and riot in their home, which she vainly tried to prevent; for she foresaw what a future

drunkenness, or carelessness, or some showman's wife, and looked as though Throw open your window and fasten it there, misconduct. She was rapidly sinking she had borne many a hard knock from into that most miserable of all woman- the world; but she had been a mother, kind, -- a hopeless, heartless slattern .- and her thoughts flew back to many a But for her children, she might have little grave here and there in the coun-
