OTTAWA, May 3. The debate, on the Northwest question lasted till past 11 o'clock, and was wholly occupied with discussing the Bill.

Sir Francis Hincks defended the refusal of the Government to pay the purchase money and said it was desirable to have the prestige of the Queen's authority in restoring order in the Territory.

The discussion was continued by Mr. Ferguson, Hon. Mr. Howe, Hon. Mr. Chau- p. m. veau, and other members. The conduct of the Roman Catholic clergy at Red River, the non-payment of the money to the Hudson's Bay Company, the issue of the Royal Proclamation by the Hon. Mr. Macdougall, and the exclusion of Portage la Prairie subjects of comment.

The Bill was then introduced and read a certain information concerning the Northfirst time. West and British Columbia.

Hon. Mr. Macdougall taunted the Minister of Justice with receiving Riel's emis saries and not doing his duty. Sir John A. Macdonald defended himself

and said that the Governor General had resolved to receive these representatives from availed themselves of their knowledge of mittee of the Whole. claim and restoring order.

Hon. Mr. Macdougall contended tha Father Richot had been an instigator the rebellion. He also spoke of the conter of Militia had publicly walked arm in of the Bill were agreed to. arm with Richot.

Sir George E. Cartier considered that he had a perfect right to choose his company Hon. Mr. Howe wanted to know how i was that the hon. member for North Lanark
