Dominion & Provincial Directories  
To be Published in October, 1870.

NOTICE.—Learning that my name has been unwarrantably used in connection with Directories now being canvassed in the Provinces, and entirely distinct from my works, and that in other cases it has been stated that my Directories have been abandoned, I would request those desiring to give a preference to my works to see that persons representing themselves as acting for me are furnished with satisfactory credentials.

JOHN LOVELL, Publisher.  
Montreal, March 16, 1870.

**Lovell's Directories.**  
It is intended to make these Directories the most complete and correct ever issued on this continent. They are being prepared by correspondence, but by personal canvass, from door to door, of my own Agents, for the requisite information. I have now engaged on the work in the several Provinces Forty men and Twenty horses. These are engaged mainly in the towns and villages off the Railway and Steamboat Routes, important places on the frontier, to admit of correction to latest date. I anticipate issuing, in October next, the Canadian Dominion Directory, and Six Provincial Directories, which will be correct and full index to the Dominion of Canada, Newfoundland, and Prince Edward Island, and a combined Gazetteer, Directory and Hand Book of the six Provinces.
