THAT the Lockman Machine has

the most essential particulars. It is simpler, seen with his collar and his bosom sad-It surpasses all others yet attempted in aged; it is more durable, and consequently will last much longer; it is more elegantly ed by his officer:finished, and consequently makes a more agreeable appearance; it runs easier, and consequently does not fatigue the operator; it does more work and of a better quality work, and a greater variety of it; and consequently possesses a greater adaptability; saver, time-saver, board-saver, and consequently appeals more completely to the by a shepkeeper.

"Durham Meat Market." CHARLES LIMIN:

POSTRY. Dried-Apple Pies. I loathe! abhor! detest! despise! Abominate dried-apple pies; I like good bread, I like good meat, Or anything that's fit to eat; But of all poor grub beneath the skies, The poorest is dried-apple pies. Give me toothache or sore eyes

In preference to such kind of pies. The farmer takes his knurliest fruit, 'Tis wormy, bitter, and hard to boot; They leave the hulls to make us cough, And don't take halt the peeling off. Then on a dirty cord they're strung, And from some chamber window hung ; And then they serve a roost for flies Until they're ready to make pies. Tread on my corns, or tell me lies,

Mother Wit,

'That's benevolence.' 'No it ain't,' said the boy, somewhat indignant, 'its salt.' So when a lady asked her servant girl if the hired man cleaned off the snow

with alacrity, she replied :-'No, ma'am, he used a shovel.' The same little turn of mind which we have been illustrating is sometimes used intentionally, and perhaps a little maliciously, and thus becomes the property of wit instead of a blunder. Thus we hear of a very polite and impressive gentleman who said to a youth in the

street :-Boy, may I inquire where Robinson's drug store is?" 'Certainly, sir,' said the boy, very re-

'Well, sir,' said the gentleman, after waiting a while, 'where is it?' 'I have not the least idea, yer honor,' the matter over a bit.

said the urchin. costed by an ascetic middle-aged lady, to fancy, when she began-

'Boy, I want to go to Dover Street.' don't you go then.' One day at Lake George, a party of WILSON, BOWMAN & CO., gentlemen strolling along the beautiful to the gentleman, he said : islands of the lake, with bad luck, espied

'Hallow, boy, said one of them, what her home, and let her live.' are you doing?"

'Fishing,' came the answer. 'Well, of course,' said the gentleman, Did any of you ever see an elephant's skin? inquired a teacher of an infant

'I have,' exclaimed one. 'Where?' asked the teacher, 'On the elephant,' said the boy, laugh-Sometimes this sort of wit degenerates or rises, as the case might be, into

sky, saying :-'I wonder where these clouds are going ?' and her brother replied :-'I think they are going to thunder.'

Also, the following dialogue :-'Hallow, there! how do you sell your 'By the cord.' 'How long has it been cut?' 'Four feet.'

you cut it ? 'No longer than it is now.'

'Twenty eight inches, sir.' which is said to have occurred recently to the laws of the great Ruler and in Chatham street, New York, where a Father in Heaven.

cheapest in the market, sir.'

'Are they clean ?' 'To be sure, sir.' 'Then,' said the countryman, with great gravity, 'you had better put on one, for you need it.
