IMPORTANT TO FARMERS.
THOMAS MILLER,
AGENT for Abram's Improved Hay, Baler and Horse Fork.
This Fork needs only to be seen to be appreciated. We feel confident in introducing it to the farmers generally, that it has Superior qualities over any other Hay Fork in the Dominion, and are willing at any time to test its merits against any other forks in Hay, Barley, or loose Grain. It is light to handle, and over the top. It is in no case likely to get out of order. It will penetrate the Hay easily. It will elevate more than a team can draw. It is peculiarly adapted for Barley and loose Oats as well as Hay. It can be operated with more ease and from the mow than any other fork in use.

PRIZE PUMPS.
ISAAC IRELAND would call the attention of the public to this Improved Machine Pump. He would say that his Pump took easily the first prize at the late show in Mount Forest, in competition with a Pump that is reported to have taken the first prize at the Provincial Exhibition at Hamilton and four other places. The improvements consist of the strongest bearings, which will stand the most wear of any pump now in use in Canada, also Malleable Valve Seats and Hardwood Cylinder. The same kind of bearings were used by him 17, 18 and 19 years ago, and seven out of ten of the pumps put up by him then are now in use, which has induced him to fall back on the old bearings and fixtures.

STOP AND SEE!
THE FOLLOWING REMARKS ON Testimonials of most wonderful and extraordinary cures in Canada by the GREAT INDIAN REMEDY. They are strong, undeniable and incontrovertible facts, sufficient to convince the most skeptical that the Great Medical Compound prepared after ages is now accessible in the Great West.

Shooshones Remedy!
For Diseases of the Throat, Lungs, Liver, Digestive Organs, Kidneys, &c., as well as Scrofula, the various Skin Diseases, Humors, and all diseases arising from impurities of the blood, we hold it that this great remedy has NEVER BEEN EQUALLED. Where there were ever seen a cure as that in the person of Wilson Storms of Brighton, Ont., of Consumption; or that of Peter C. V. Miller, of Barrenstone, Ont., of Consumption; or that of Maudie Wood, of Concession, Ont., of Dyspepsia and Liver Complaint; or that of John Hesse, of Napanee, Ont., of Rheumatism, who had actually been on crutches for years, in spite of all treatment heretofore, and is now well. Scores of such cases might be mentioned had we space.

Call at the Drug Stores and get a circular of unquestionable certificates on the GREAT SHOOSHONES REMEDY & PILLS, and satisfy yourselves.
