A NEW PHASE OF THE WAR.

Germans unable to use their Guns.

London, Dec. 15 .- Proofs of a Prus-French Empire come from every quarter. Count Bismarck says that this is the only way the war can end, that Republican France will fight for ever, that the fall of Paris can produce no effect, that the only course is to make terms with the Empire and go home, and leave the French to fight it out between them-

Despatches from Versailles state that King William has issued an order to his troops in which he says that all the attempts of the enemy to break the lines investing Paris have been in vain, and should France persist in continuing the struggle the Germans will battle on untill peace is restored. It further states that "we are now about to enter on a new phase of the war,"

GOOD AND CHEAP TEAS .- The Teas imported by the Toronto Tea Company during my absence, and without provocation are very highly spoken of for their fine articles of household furniture, also, flavor, purity and cheapness. To be maliciously broken and rendered utterly had in Durham only at Findlay & Shaw's. Give their a trial. Good prices were paid at our this notice.

Births: At Thornbury, on the 6th inst., the wife of

Rev. James Anderson, of a son. In Bentinck, on the 14th inst., the wife of Mr. John Vickere, teacher,
