THE BEST TEAS!
 The Teas of the Toronto Tea Company are guaranteed pure as imported from China and Japan. For strength and fine flavor, they cannot be excelled. All tested before being sold, and comprise the finest Teas which are imported.

THE BEST PROOF
 That the Teas of the Toronto Tea Company give satisfaction is the immense trade they are now doing in them. Families who tried them once, now get them regularly. They find they cannot get any such Teas for the money elsewhere.

In towns where we have agents, parties are invited to buy a small quantity to see how they like them. Afterwards they can buy more. In districts where we have no agents, persons can write to us for samples and we will send them by mail. We send 20 lbs. or more to any Railroad Depot in Ontario, freight paid, and collect through Express Agents. Put up in 4 pound, pound, and 5 pound packages.

HORSE FOLK.
 This Fork needs only to be seen to be appreciated. We feel confident in introducing Superior qualities over any other Hay Fork in the Dominion, and are willing at any time to test its merits against any other Fork of Hay, Barley, or loose Grain. It is light to handle, and powerful. It is in no case likely to get out of order. It will penetrate the Hay easily. It will elevate more than a team can draw. It is especially adapted for Barley and loose Oats as well as Hay. It can be operated with more ease and to and from the mow than any other fork in use.
