

When I was Well. While I was Sick. And Now I am Well Again.

MR. MAXWELL JOHNSTON

One of the Best Known Printers in Canada,

Tells the story of his terrible sufferings, and gives an account of his rescue from the Jaws of Death.

Probably no one is better known to the printing trade of Canada than Maxwell Johnston, of Maxwell Johnston & Co., 72 Bay street, Toronto.

I consider myself perfectly cured and feel strong and well. My weight when I was attacked was 193 pounds. After the operations I was reduced to 130. I weigh now 160.

I am a printer by trade and have held positions in the offices of The Globe, Mail, Methodist Book Room, etc., as well as in Ohio and Detroit, Mich., and have been an employing printer since 1877.

Although it may seem incredible, every word I have stated is the truth, and I am prepared to back it by the evidence of hundreds of citizens and friends who knew me before I was sick and afterwards, while I was near death's door, and who now, to their surprise, see me restored to complete health by the use of Doan's Kidney Pills, assisted by Laxa Liver Pills.
