PRICEVILLE.

Mr. and Mrs. Jas. Watson were visiting at Mr. Geo. Moore's near Inistioige last Sunday week.

Several young men from Priceville and vicinity went down to the lower settlement to look for work for the summer but we presume they forgot something as they came back so soon. They could not have wanted work very badly. For particulars ask Pat and Archie. Perhaps they may make another attempt.

Mr. Robert Waters who has been sick for over a year, passed away last Thursday morning at the early age of 30 years. The funeral service was conducted by Rev. Mr. Humphries in the Methodist church after which his remains were taken to the McKechnie burying ground for interment a large number turned out to show their last respects to the departed.

Rev. Mr. Mahan, of Flesherton, preached in the Methodist church here last Sunday morning.

Mr. Bolger, of Dundalk, paid a visit to Priceville last week.

Mr. J. D. Brown who is living in Dundalk paid a flying visit to Priceville one day last week.

Mrs. Malat of Shelburne who has been visiting at her parents Mr. and Mrs. McDonald's, returned home last Thursday afternoon.

Miss Minnie Waters who has been home for a few weeks, returned to Hamilton last Monday evening.

Master Reggie Grier, of Dundalk, paid a visit to his mother here last Sunday.

Miss M. Brown has resigned her position in the post office and Mr. Neil McKinnon has been appointed in her place.

It is said that a certain young man was locking for a hen a few nights ago. The said hen was last summer and a reward was offered for it. The party had a lantern and several people mistook it for lightning. For particulars ask on Durham road.

Master Willie Marshall has hired with Mr. G. Arrowsmith for the summer months. We are sorry to learn that Rev. Mr. Humphries had several pounds of mutton, pork and Sausages stolen from his house one day last week and now it is a conundrum whether it were dogs or two-legged hounds that carried it off.

One of our citizens last week intended paying the city a visit and was up and around all night making ready for his yearly visit but after all when he reached Flesherton Station the train had been in and forgot to wait for him. He will no doubt make another attempt this week. We wish him better success this time.

We notice that Mr. John Simpson Jr., who has been sick for some time is around again.

MULL CORNERS.

Mr Angus McCormick has arrived home from Min. to spend Easter, after an absence of three years.

Messrs. Peter Daiglish and Ralph Tisdale have gone to Eden Grove for the summer.

Mr. Neil McLean had a wood bee last Monday. About fifty cords of wood was piled.

We are all looking forward to an enjoyable evening at the concert in Clark's school-house on the 15th, where we believe a splendid program is in preparation. The admission is only 10 cents.

Who is the young man who toes in and whose tracks were so easily discovered near a house a short distance south of Aberdeen last week? Where's your Bike Harry?

An interesting race is expected to take place between Messrs. Duncan McLean and Galbraith, the former having purchased a Gold Dust trotter and Reddie a Cleveland wheel. Both are training hard.

We are pleased to record the arrival of a new neighbor in the person of Mr. Thomas whose residence reports say is visited very frequently by the Mill boys. This may also account for the return of one of our friends from Georgetown.

Mr. Dan McLean pays frequent visits to Normanby. We hear a faint tinkling of wedding-bells.

Mr. Alex. Fletcher has engaged a man for the summer. Alex. will have the evening more to himself now so you may look out for frequent visits to some house where there is more than the old folks living.
