We would like to know who the young man is that is so bashful that he has to take a long road for a short cut round through the fields to see his best girl.

A pleasant affair took place at the residence of Mrs. J. Adams on Wednesday evening of this week being the marriage of her daughter, Aggie to Wm. Nelson, son of John Nelson, living south of here. We extend our congratulations although we may have wished to have been in Aggie's place.

The fore part of last week were led to believe that the beautiful bedding spring had surely come

with the songs of birds and the distant whoa haw! gee!! which brought to our mind Will Ramages song, that "Too often we forget the man that walks behind the plough," but on Friday our poetical feelings were suddenly stopped like a few stray frogs we heard in Lesslies fields the other evening.

We record the death of Mrs. Hugh Acheson which took place last Thursday morning. Deceased had been in very delicate health for the past six or seven years. Lately she had an attack of la grippe accompanied by bronchitis which was more than her feeble frame could bear. The remains were interred in the Amos church cemetery last Saturday followed by a large concourse of friends and relatives showing the great respect she was held in. **Rev. Mr. McVicar** was in attendance.

We would advise your Lake View correspondent to keep his eye on some of our young men, who are seen wending their way to see one of its fair lassies in his vicinity quite often. It is thought that our Wattie has got on the inside track. Although it is very much like uphill work, as J. L.'s chances look good sometimes. It is said he was a good second in the last race but on looking in Watties orbs of vision you can see loves sunny smile saying "I am going again soon."

### CORNER CONCERNS.

What has happened your Holstein correspondent? Things must move slowly down there or is he taking his spring medicine and preparing himself to do the place even greater justice than before.

Mr. Wm. Johnston one of our most worthy young men left last Wednesday for Guelph. The farmer who secures his service may congratulate himself on his choice.

Constable Carson was down this line last week. He had been invited to take charge of a young man, who had indulged extensively in strong drink, obscence and profane language but who had felt so ashamed as to go and hide in the swamp or other place and the chief had to return alone.

Mr. R. N. Wilder has been under the Drs. care for the past couple of weeks through a severe cold contracted while he was changing from the Gray farm to the dwelling on Mr. Robt. Mead's farm. We hope soon to see him able to work again as he is always most willing.

For 15 years I suffered untold misery from Itching Piles, sometimes called pin worms. Many and many weeks have I had to lay off the road from this trouble. I tried eight other pile ointments and so called remedies with no permanent relief to the intense itching and stinging, which irritated by scratching would bleed and ulcerate. One box of Chase's Ointment cured me completely.

### Dr. CHASE CURES FATHER AND CHILD

Both afflicted with Eczema of a very troublesome type and cured in a remarkably short while by Dr. Chase's Ointment.

"I was troubled for ten years with eczema on one leg; the itching was something terrible; would scratch until the blood came. How I came to know the value of **DR. CHASE'S OINTMENT**, I have a little girl two years; when she was one year old the same disease began to show upon her face. It wasn't long before her face became literally covered with it. In order to keep her from scratching it we had to bandage her hands up. I tried several doctors, but got no relief. Seeing **DR. CHASE'S OINTMENT** so highly advertised I made up my mind to purchase a box, which I did from one of our leading druggists. The first application I noticed a change. It was then I began to think about myself. With four or five applications, to my surprise, I am completely cured, no sign of the disease, and my little girl's face to-day is clear of all the scabs. I am only too glad to inform any person what a blessing **DR. CHASE'S OINTMENT** has proved itself.
