JUBILEE IN SCHOOLS

THE EDUCATION DEPARTMENT MAKES AN IMPORTANT SUGGESTION TO THE PUBLIC SCHOOL BOARD.

The Minister of Education has written to the Provincial school inspectors suggesting that Friday afternoon previous to June 21 be set apart in the schools for the consideration of such events as the progress of science, convention and education which have made Queen Victoria's reign memorable, the idea being to make the jubilee an important event to the children.

The history of Canada in relation to the empire is suggested as a subject and it is also proposed that each room be hung with a portrait of Her Majesty.

CORNER CONCERNS.

Our S. S., according to custom, will re-open next Sunday. There has always been a very efficient staff in this section which has only been broken by the removal of the Superintendent, Mr. Chapman, to Mt. Forest, so, with another appointment they will be ready for action.

The drought of the past two years has proved a great difference in hand and drill sowed grain, in favor of the latter, consequently drills are selling fast and this section is getting its share, D. Campbell, A. Pollock, and A. Bradley being late purchasers.

Mrs. (Mayor) Calder and Miss Susie McKinnon were visiting in this part last week and took the opportunity of talking up the new organization of Chosen Friends, its merits and the benefit of immediate initiation. They are persistent canvassers. The girls all pleaded spring poor and it would take a month of fresh Butter and Eggs to fit them for the ordeal. Not so with the boys, although we do not know the excuses they used in declining the invitation. We will bet a new hat they wouldn't admit before girls that they hadn't plenty of money.

Mr. Jas. Baird's sale last Thursday was a good success to the satisfaction of everyone. He is giving up farming and going West. His friends and neighbors are sorry to lose him as he was a most obliging and peaceable neighbor and liked by all. He always endeavored to keep a comfortable home, and welcomed all who wished to enjoy it. We all wish for him, health, wealth, and comfort in his adventures.

Mr. Wm. Allan has sufficiently recovered to be able to resume his Sunday night discourses in the school, last Sunday being the commencement.

Miss Aggie Sirrs, who is attending the Durham school preparing for her examination to enter the society known as the Umbrella Brigade, spent her Easter holidays with her sister, Mrs. Wm. Chapman, of Mt. Forest.

Miss Rachael Hillis returned home from Owen Sound a fortnight ago for a little recreation but last week she was stricken with inflammation from which she is slowly recovering and will yet be ready to go out and enjoy spring weather when it comes.

A week ago Sunday night Rev. Mr. McVicar preached in the school house and there was a general turn out from every nook and corner of the section as was always the case when ever he favored us with an address. The service was followed by affecting parting greetings and best wishes for his comforts and success in his new field of labor.
