DURHAM, ONT., JUNE 17, 1897.

GOD SAVE THE QUEEN

## Diamond Jubilee CELEBRATIONS

### Great Attractions in DURHAM.

WE are entering the Jubilee period, and during the next few weeks we may expect more talk of loyalty than we have heard in a lifetime before. Throughout the British Empire every subject seems to rejoice, some of them know not why, but this is jubilee year. Durham, we are pleased to say, is entering fully into the spirit of the time, and for the next three weeks loyalty to Britain, to Britain's Queen and all British institutions will find place in the hearts of the people.

On Friday the schools of the town have their School Jubilee demonstration in the Town Hall, beginning at 1:30 p. m. A good loyal program has been prepared by the school children under the guidance of our most efficient staff of teachers. In addition to this, loyal patriotic addresses are expected from the resident clergymen, trustees and others. A full attendance of parents and all interested in educational advancement is respectfully requested.

On Sunday next, as announced in this and last issue of the CHRONICLE, special jubilee services will be held in Trinity church, when the I. O. F. will meet in a body to listen to a specially instructive sermon by Rev. Mr. Connor.

On Tuesday next we expect to see in Durham such a demonstration of loyalty as this town never before witnessed. A grand procession of Bicycles, Bands, Soldiers, Boys' Brigade, Rural Schools, Town Schools, Fraternal Societies, Municipal Council, Fire Brigade and vehicles will form at the Drill Shed at 12:30, march to the Agricultural Grounds and enter at once into an extensive program of sports for which prizes will be given. At 3:45 p. m. all sports will cease for one hour during which the Military "feu de joie"—The National Anthem, and other patriotic songs and addresses will be entered into in a right loyal spirit. EVERY PART OF THE PROGRAM IS FREE and every resident of the town and country is cordially invited to participate in this greatest loyal demonstration of the present century, of which the part played in Durham will, we trust, be a successful component part.

The program for the 1st of July, known as "Dominion Day Jubilee Races", under the auspices of the Durham Turf Club, may almost be regarded as a continuation of Jubilee Day proper. The principal features of the day will be the races for which handsome prizes are offered. A purse of \$90 is offered for the 2:40 trot or pace in three prizes of \$50, \$25 and \$15. For the three minute trot or pace a purse of \$60 will be given; 1st \$30, 2nd \$20, 3rd \$10. Open run purse \$85; 1st \$50, 2nd \$25, 3rd \$10. Green run for farmers' horses—purse \$15 in two prizes of \$10 and \$5. Besides these the two mile bicycle race for men and one mile for boys will form an important portion of the afternoon program.

In the forenoon a lacrosse match, free to all, will be played between Hanover and the Home teams. For particulars see bills and posters or write to the Secretary, Admission, Gent', 15c; Ladies and Children, 10c

Ayer's Hair Vigor is a universal beautifier. Harmless, effective, and agreeable, it has taken high rank among toilet articles. This preparation causes thin and weak hair to become abundant, strong, and healthy and restores to gray hair its original color.

The merchants in Durham have decided to close their stores at 7 p. m., Saturdays excepted, during the summer months. It is no more than right that clerks and those engaged in mercantile life should have a little recreation as well as other people. The public will please bear this in mind and avoid disappointment.

The people of Canada are not surprised that the Jubilee portrait of the Queen gotten out by the Montreal Star, and the Star Jubilee Medal of solid aluminum, are carrying everything before them. But the people of England are now examining both of these souvenirs, and cablegrams say the Star Souvenirs are the best out, either in England or in any of the colonies beside Canada.

On June 12th Mrs. W. Benton received an unsigned letter accusing her of writing several anonymous letters. Had the letters been signed Mrs. Benton would have made a personal denial but as she has no knowledge of the writer's name she feels it necessary to deny the charge through the press by saying the writer is mistaken as she never sent an unsigned letter to anyone in her life.

LAST week we gave an account of the marriage of a daughter of Mr. Boyce, of Crawford, and this week we regret to learn of the sudden and unexpected death of a married daughter living in the vicinity of Mt. Forest. We have not learned the particulars, but no matter in what form it may come death is always a sad unwelcome visitor. Our joys and sorrows often meet in this life. We extend our sympathies to the bereaved friends.

On Saturday evening last about half past seven o'clock, when the streets were lined with teams, the shops crowded with purchasers, the sidewalks crowded with pleasure seeking pedestrians, the excited cry rose above the general turmoil, that a team was running away. Sure enough down the Durham hill a pair of fire young chargers with wagon and hay rack attached were rushing madly towards the busy thoroughfare below. Death or destruction seemed certain. No visible hand guided the infuriated animals. A nearer approach however revealed the figure of the owner, Mr. Thomas Wallace, Varney, in the bottom of the wagon tugging with might and main, to check their speed. With the presence of mind characteristic of a gritty little Irishman, he gave his attention to the public safety, managed the strings so as to keep the horses in the only clear space to be found, and the horses were allowed to go. South of the town they were brought to a standstill and Tom's skill in horsemanship and Tom's attention on every tongue. No one was hurt, the horses and wagon came out safe.

—The Jubilee flag badges are now on sale at J. A. Hunter's. 1c. each. Everyone should have one.

If you would have soft, silky, and abundant hair, take good care of it. Use for a dressing Ayer's Hair Vigor only, that being the most reliable and scientific article, and without which no toilet is complete. It keeps the scalp clean, cool, and healthy.

Mr. R. W. MEREDITH, F. S., of Court Durham, No. 111, I. O. F., wishes to request all the brethren to attend service in a body next Sunday morning at Trinity church, and also to request them to take part in the procession on the 22nd inst., at the Jubilee demonstration here.

We have in our office a single stalk of rye measuring 7 ft. in length left here on Monday by Mr. W. E. McAlister. The general growth this year is phenomenal, the crops are looking well and the farmers are regaining their air of contentment. After two hard years we hope that kind providence will smile on them once more with an abundant return and good prices.

MISS SHEWELL desires to inform the residents of Durham and surrounding country, that she is prepared to continue the Undertaking and Furniture business lately conducted by her brother and formerly by her father. All assertions to the contrary are false. All furniture delivered in town and repairs promptly attended to. Patronage solicited.—6 17 97. t. f.

We are informed that on Thursday last Michael Bagan, a young man near Dornoch, was working in the bush when he was violently seized with a fit of what might be called a species of insanity. He began frothing at the mouth and acted very strangely when suddenly he donned his coat and vest and rushed wildly away. Though diligent search has been made, he has not been heard of up to time of writing and his friends and neighbors are greatly alarmed over the affair. It appears that some time ago he was subject to some very strange spells but he was thought to have outgrown them.

Re Regina V Stewart:—Mr. Rowell, Toronto Agent for Lucas, Wright & Batson moved before the Division Court, Osgoode Hall, Toronto, for Rule nisi to quash summary conviction of defendant which was granted. This was a complaint made by Duncan McArthur against Thomas Stewart, both of the Township of Bentinck, and heard here before Justices Calder, Jackson and McFayden last April, when the defendant was convicted of intimidation and fined \$1.00 and costs. Telford and McCaul acting for complainant and Batson for defendant.

The defendants lawyers are taking proceedings to have conviction quashed on several grounds, and the proceedings have been removed to High Court.

ARRANGEMENTS are being made for Jubilee services to be held in Trinity Church, Durham, on Sunday the 20th inst., both morning and evening in commemoration of the sixtieth anniversary of the Queen's Accession to the Throne of Great Britain. That beautiful form of prayer with thanksgiving annexed to the Book of Common Prayer in 1837, to be used in all churches on the 20th of June will be used in every church throughout the British Empire by special order of the Archbishop of Canterbury, as the 20th of June falls on Sunday this year being the Queen's Diamond Jubilee. We hope to see Trinity Church crowded, and trust that every member resident in town and country will come out on this occasion, first, as true Christians, and secondly, as loyal subjects of Queen Victoria. The music will be the great feature of the services and the decorations will be magnificent. The Rector will preach in the morning from 2nd Sam. 16:16, "God save the king," subject, 1st, Solomons glorious reign, 2nd, Queen Victorias glorious and prosperous reign, contrasted. Evening Prov. 8:15, "By me kings reign." Subject: The Divine right of kings. Is it scriptural? The collection will be special in aid of the funds of the congregation. Let every member bring a Jubilee offering.

We are sorry to learn that Mrs. Milligan is on the sick list. The picnic on Friday was quite a success. Although the weather looked rather threatening a large crowd assembled in time to partake of the refreshments which were pronounced excellent. Mr. Turnbull was voted to the chair and filled the position creditably. Mr. Jansen of Durham gave a brief but pointed address which was well received. The Allan Park Band gave several selections and were highly commended. The band finished by playing God Save the Queen. Thus ended the picnic of 1897.

### Jubilee National Anthem.

God save our Gracious Queen,  
Long live our noble Queen,  
God save the Queen;  
Send her victorious,  
Happy and glorious,  
Long to reign over us,  
God save the Queen.

Thy choicest gifts in store  
On her be pleased to pour,  
God save the Queen;  
May she defend our laws,  
And ever give us cause  
To sing with heart and voice,  
God save the Queen.

Far from the Motherland  
Nobly we'll fall or stand  
By England's Queen;  
Through towns and forests free,  
Britons undaunted we  
Sing with true loyalty,  
God save the Queen.

Thou who for three-score years  
In sunshine, cloud and tears  
Hast kept our Queen;  
St'ill be her Guide and Stay,  
Thro' life's uncertain way,  
Till dawns the perfect day,  
God bless our Queen.

God save our gracious Queen,  
Long live our noble Queen,  
God save the Queen;  
Light on her path descend,  
Joy and hope sweetly blend,  
Choicest gifts to her send,  
God save the Queen.
