## VANDELEUR.

(Intended for last issue.)  
Although the day was a scorcher, the Sunday School picnic in Graham's Grove was a great success. There was the usual crowd of pleasure-seekers, and the refreshments as usual of the first water.  
Most of the citizens took in the demonstration in Markdale on the 12th. Our burg is becoming notorious as there was a four days' arbitration between Robert and J. I. Graham over a dispute about a natural spring. J. I. was defeated.

Fast driving and a collision between two rigs resulted in a smashing on the 11th inst. The occupants escaped with a few bruises.  
Rev. Mr. Mahan preached a very interesting sermon to the Orangemen on the 11th.

## POMONA.

Our boys who left this vicinity for the down country haying and harvest are Geo. Black, Jas. Welsh, J. J. Black and J. A. Johnston.  
Did either or both of the two admirers, Sandy or Maurice write to Tilsonburg yet? Be sure and use a Jubilee stamp boys.  
Mr. J. D. McGrath put in the lowest tender for the erection of a board fence around part of St. John's Separate School lot and has it completed.  
Mr. J. Maher since his return from Owen Sound is busy erecting the frame of Mr. T. Neil's new house. The stone work was completed by the Neil Bros.

Miss Mary A. McInnis who is employed at Flesherton Station paid her parents and other relatives in Scotchtown a visit Sunday week.  
We are pleased to see that some of our farmers are living in hopes that the present season's crop will produce more bushels and they in return produce more bright dollars than the two previous crops, as Mr. Geo. Arrowsmith and Mr. W. H. Patterson each purchased a new Massey Harris binder from one of your enterprising townsmen.

Our oldest inhabitants scarcely remember ever seeing more unfavorable weather for haying than we have had for the last couple of weeks or since the 12th, but if the hay which has been cut has taken on an undesirable color the growing crops have taken on a very desirable one and are pushing ahead beautifully.

A huge rat got access to our neighbors store recently and was undoubtedly after groceries, but gallant Johnie assisted Minnie to put an end to the theiving propensities of that little quadruped for which we hope she will not forget him.

Mr. and Mrs. McAuliffe and Mrs. P. Burk (nee Miss M. McAuliffe) of Normandy were visitors at Mr. McGrath's Sunday week.  
Mr. M. McGrath and Miss Helen McAuliffe spent last week at the home of their parents in Normandy.

## FAIRWELL CORNERS.

Messrs. James, Frank, Thomas and Miss Selina Coleridge are enjoying their vacation at home.  
Miss Hannah McKinnon narrowly escaped death from an attack of a big

pig which caught her unawares as she was crossing the road with a can of milk from J. Muir's spring. She was knocked down three times and had it not been for her presence of mind and agility in getting over the fence she might have been killed. Hearing the poor girl's cries, her father, Mr. Hugh McKinnon came running to the spot and was also attacked by the furious animal but escaped unhurt. The girl had to be carried home as she was badly bruised and a large gash requiring seven or eight stitches, was made in one of her legs. Dr. Hutton is the medical attendant. The pig belongs to Mr. Neil McDonald and it is to be hoped that he will keep the vicious animal from doing further damage.

Linseed and Turpentine is not only a popular remedy, but the best known to medical science for the treatment of nervous membranes of respiratory organs.  
**DR. CHASE** compounded this valuable syrup so as to take away the unpleasant taste of the turpentine and linseed. It was the Doctor's last and greatest remedy, and more of it is sold in Canada than all other cough medicines combined.

## A Banker's Experience

HEREAFTER HE INTENDS TO BE HIS OWN FAMILY DOCTOR  
"I tried a bottle of Dr. Chase's Syrup of Linseed and Turpentine for a troublesome affection of the throat," writes Manager Thomas Dewson, of the Standard Bank, now of 14 Melbourn avenue, Toronto. "It proved effective. I regard the remedy as simple, cheap and exceedingly good. It has hitherto been my habit to consult a physician in troubles of this nature. Hereafter, however, I intend to be my own family doctor."
