MIDSUMMER CLEARING SALE

Three years ago we opened out in this town with a determination to build up a business.

We started with the motto of "Cash and One Price" and although many of our well wishers told us it was impossible to do a strictly Cash Business in this town, we decided otherwise and the result has fully justified the decision.

Each year has seen a decided increase in this business and now in our new store with more room, a larger stock and a finer selection, we are in a better position than ever to cater to your wants.

Everybody's celebrating these days so we must do the same and for the next thirty days we will have a

Midsummer Clearing Sale

in every department. A glance at the prices will show that we mean business.
