**Only One Standard**

You and we may differ as to money standards and out of our very differences good may come. But we won't differ as to the merits of one standard emulsion of cod liver oil.

**SCOTT'S EMULSION** has won and held its way for nearly 25 years in the world of medicine until to-day it is almost as much the standard in all cases of lung trouble, and every condition of wasting whether in child or adult as quinine is in malarial fevers.

Differ on the money question if you will, but when it comes to a question of health, perhaps of life and death, get the standard.
