I wish to state upon more mature consideration and due reflection that such statements are untrue and false so far as I know or am aware of and I further state I am sorry for using such words so derogatory. Instantly when you pull the trigger. So sickness may come on suddenly. But it takes time to load the gun, and it takes time to get ready for those explosions called diseases. Coughs, colds, any "attack," whatever the subject be, often means preceding weakness and poor blood. Are you getting thin? Is your appetite poor? Are you losing that snap, energy and vigor that make "clear-headedness?" Do one thing: build up your whole system with SCOTT'S EMULSION of Cod-liver Oil. It is the essence of nourishment. It does not nauseate, does not trouble the stomach. And it replaces all that disease robs you of. A book telling more about it sent free. Ask for it. SCOTT & BOWNE, Toronto, Ont.
