REDUCED IN PRICE.

The Globe, Toronto, has reduced the price of its morning edition from \$6 to \$4, and discontinued the second edition. The Globe seldom does things by halves, and this is certainly a strong and deserving bid for circulation.

In the announcement of the change it is stated that the great reduction in the price of paper and the introduction of typesetting machines have made this possible, but, considering the great expense that they incur in their efforts to secure all the news every day and the exceedingly full reports that they give of all important events, \$6 a year was not too much to pay. At \$4 per year their circulation should soon reach the 50,000 mark, especially as all the departments, including their excellent Saturday illustrated edition, are to be kept up to their present high standard.

The Globe is generally recognized as the leading paper in Canada, and their effort to make it possible for every person to take it regularly should meet with a hearty response.

Broken Chain

The family circle is never so happy after the chain is broken and a link taken. Some family chains are strong, others weak. Have you a good family history? Or is there a tendency to coughs, throat or bronchial troubles, weak lungs? Has a brother, sister, parent or near relative had consumption? Then your family chain is weak. Strengthen it. Take SCOTT'S EMULSION of Cod-liver Oil with Hypophosphites. It makes rich blood, gives strength and vigor to weak lungs and run-down constitutions. With its aid the system throws off acute coughs and colds. It prevents the chain from breaking. Shall we send you a book about this, free?

For sale by all druggists at 50c. and \$1.00. SCOTT & BOWNE, Toronto, Ont.

HOLSTEIN.

Miss Kate Smith returned from Toronto last Wednesday. Ill health caused her early return.

Miss Jennie Main left Tuesday of last week for Toronto where she purposes remaining for the winter months.

Mrs. E. Stephens of Mt. Forest and formerly of this village spent Thanksgiving Day with Holstein friends.

A united Thanksgiving service was conducted in the Methodist church by the Rev. J. M. Miller. A very fair audience was in attendance.

Some person or persons gained an entrance to Mr. D. Naismith's barn one night last week and helped themselves to about 70 bushels of wheat. No clue has yet been obtained as to who the guilty parties are.

Mr. W. McMitchell spent a day or two with friends here last week. Will has a special regard for a Holstein friend.

Mr. Linton of Whitby is at present visiting her daughter Mrs. H. Ham, at "Pickering Home."

Mrs. S. J. Tribe returned after having spent the summer in Dakota.

Rev. J. R. Isaac, pastor of the Methodist church here, will preach next Sabbath in Flesherton.

A large and appreciative audience assembled in the Presbyterian church on the evening of the 18th inst., for the purpose of listening to Miss M. McKeller, M.D., returned missionary from India. For over an hour the lecturer held the audience spellbound by her graphic description of the habits, manners and customs of the Hindus and Mahomedans. She referred especially to the famine stricken districts by saying that the picture drawn by the newspapers was not in the least overdrawn and in fact was not depicted nearly so badly, as the real facts of the case would permit. She outlined the hardships and discouragements which the missionary is called upon to encounter and wound up by a very strong, but mild appeal for missionary aid for Foreign Missions. Those who heard the lecture felt amply repaid for any inconvenience they were at in being present.

A somewhat peculiar case was tried here last week before Magistrate Queen and Pennock. The principals, Messrs. G. Wells and C. Travis living in South Normanby. It appears Travis lodged information with inspector Harris, charging Wells with selling fermented cider. After hearing the case the magistrates decided that the charge had not been sustained, hence the case was dismissed.

VARNEY.

Mr. Wm. Petty and his two little daughters were visiting at Mr. Tom Petty's one day last week.

Mr. C. Gadd is acting Pharaoh of old, tearing down and building greater. C. likes to have lots of room.

We saw the smiling face of Tom Ryan in our burg the other day. It is not often we have the pleasure of meeting him.

Jim likes to go west. He started to go to school the other day.

It would do some of you farmers good to take a trip around Mr. I. Wilkinson's barn yard and stables. Everything is in apple pie order and stock looking well.

We notice Bob Watt goes south very frequently. There must be some attraction. Perhaps he is thinking of taking one of those fair damsels to the West next spring. Good idea Bob.

We referred last week to Pete having the chimney and no stove but it is wrong. He has the stove and table. All he wants now, you all know.

The social at Knox church last Thursday was quite a success. Everybody went home well pleased, wishing that Thanksgiving would come oftener.

Mrs. Fee and Mrs. Wallace were the guests of Mrs. Gadd one day last week.

Will McCalmon, of Mt. Forest, was home over Sunday.

The Misses Gordon, of Egremont, were guests of their sister, Mrs. R. J. Eden, one day last week.

A BOLD STROKE FOR CANADA.

Canadians are very generally aware that they have now reached an eminence from which they can look backward with relief and forward with hopefulness. It has seen the great wealth of British Columbia acknowledged by mining experts from every country in Europe; the goldfields in the Klondyke region have also attracted the world's attention, whilst the social and political occurrences in connection with the Jubilee year have been incalculable value to the country. Toronto Saturday Night's Christmas number has been prepared with a view of gaining for Canada as much as possible from this favorable state of British feeling, and of correcting some palpable misrepresentations of our climate and resources. Thousands of copies of the Christmas number are sent to Great Britain, and this year the editor attempts to correct false impressions about the Canadian climate, to show that the Klondyke with its ice is a thousand miles north of Agricultural Canada, and that the St. Lawrence River should attract the pleasure seekers of the world during summer.

The two beautiful, high-art, color supplements which are this year given free with the book, also carry out the idea. One is entitled "The First Harvest in Canada," and the other, "Canada, Sixty Years After," these are beautiful pictures, painted by Mr. J. D. Kelly, of Toronto. Every home that is, or has been connected with a farm, will desire to have them framed for its walls, they are said to be the finest specimens of lithographic art yet produced in Canada.

"The Graves of Three Great Canadians," an article describing the last resting places of Sir John Macdonald, Hon. Alexander Mackenzie, and Hon. Geo. Brown, with photographic pictures of the same, and half-tone portraits of the men as we knew them, will prove highly interesting.

Several first-class original stories by Canadian writers and illustrated by Canadian artists, make up the bulk of the book, while a new feature will be a record of the leading sporting events of the year, with portraits of the Canadians who have won international and other triumphs.

Each copy is strongly wrapped in a pastboard tabe. The number is sure to attract great attention. It will be for sale in this town by the stationers and newsdealers. The publishers' address is Toronto Saturday Night, Saturday Night Building, Toronto.
