

DURHAM CHRONICLE.

VOLUME 31.

DURHAM, ONT., FEB. 24 1898.

NO 1616

LOCAL NEWS.

The skating races on Tuesday night were not so largely attended as they should have been.

Wait for the Forester's entertainment here on March 8th. Miss Richardson and the best local talent.

A memorial service in reference to the late Mrs. Kress will be held in Trinity Church Sunday evening at 7 o'clock.

Dr. Snelgrove, of Meaford, met with an accident last week by a runaway, receiving injuries from which he is reported to be dying.

Miss Richardson, the talented elocutionist, assisted by the best local talent, will give an entertainment here on March 8th under the auspices of the L. O. Foresters.

We regret this week to announce the death of Mrs. Thos. Leitch, of Flesherton, whom we have known intimately for the past twelve years. She leaves a husband and a large family of grown up children to whom we extend our sympathy.

Mr. W. J. Mitchell has changed the name of his paper from Huron News-Record to Clinton News-Record. The name is an improvement, but a greater improvement is shown in the increase of reading matter to a seven column quarto.

From the Toronto dailies we learn of the death of Mr. Joseph Jackes, barrister, formerly of Durham, which occurred at St. Catharine, Bermuda. The World says he was an extensive property owner in this city (Toronto) and was interested in the Building and Loan Association and other financial institutions. He leaves one son, Mr. E. H. Jackes, barrister, and two daughters, Mrs. Clausen and Mrs. Simmers.

On Monday afternoon last the sad intelligence of the death of an eight year old daughter was telegraphed to Mr. E. J. Hartford from Orillia where the little girl had spent some time under treatment. The remains reached here on Tuesday afternoon and were interred yesterday, Wednesday, in Dornoch cemetery. Under such trying circumstances the distressed parents have the sincere sympathy of the community.

CHANGES have been made in the Public Reading-room, lately. The stove is relegated to the old corner, once more, the partition removed, and several new tables put in. Additional accommodation has thus been provided for the use of the public who are cordially requested to visit the institution for the benefits to be derived and note the improved appearance. The librarian has received a supply of new books which will soon be placed on the shelves for the use of the subscribers.

Mr. Thos. Derby, of Sharlow, N. D., who has been visiting his father and friends in Normanby for the past two months returned to his American home on Monday last. Though a thorough Canadian, and a good Conservative, he speaks well of North Dakota where he has decided to remain for some time. Times are good, and if we may be permitted to judge from appearances Tom has fared well during the nine or ten months in the west. The Chronicle reaches him regularly every week, and is a most welcome visitor. He couldn't do without it.

This week we are again reminded of the certainty of death. Mrs. Geo. Kress, Sr. one of the early settlers of Durham, died on Monday morning last after a prolonged illness at the age of 66 years. Her death did not come unexpectedly as for some months she has been very low. She leaves a husband, six sons and three daughters to mourn the loss of a kind mother. The deceased was of a very retiring disposition, difficult to become thoroughly acquainted with but when friendship was once formed she always proved herself a true friend. The remains were interred in the English Church cemetery on Wednesday (yesterday) at 2 p. m. the service being conducted by the Rev. Mr. Ryan.

We're a little late this week but can't help it

Dr. J. N. Cadeux delivered a Scientific Temperance Lecture in the basement of the Methodist Church here on Monday evening last, to a fairly good audience most of whom were children. From some of the older ones who were present the address is highly spoken of and is said to compare favorably with Dr. E. O. Taylor. We were unable to be present. On Tuesday evening the Dr. addressed an audience in the Baptist Church.

THE Mail and Empire says: Thos. Gamey, M. P. P., Patron, for Centre Grey, died yesterday at his home, the result of two paralytic strokes which seized him on Friday last. He had also suffered for some time from heart disease. Deceased was seventy-three years of age, and leaves a family of seven, five daughters and two sons. Mr. Gamey was a resident of Osprey township for about forty years, and held the position of reeve for twenty five years, was for some time warden then elected to Parliament four years ago. He attended the last session in Toronto.

The rate war between the C. P. R. and the G. T. R. assumed a definite stage on Saturday last, when the following deep cut was made by the C. P. R. in western business: From all stations in Ontario and Quebec to any point in British Columbia, \$30; to St. Paul and Duluth, \$16; and a like cut to other points. The local rates were also very much reduced on Monday, the C. P. R. again taking the initiative. A few quotations will perhaps be of interest. Rates from Toronto to London and Woodstock, \$1; to Guelph, 50c; to Kincardine, Walkerton and Durham, \$2; to Kingston \$2.50; to Montreal, \$5.

THE Parlor social at the residence of Mr. Z. Clark Varney, on Friday evening last was in every way a grand success. Over 200 people were in attendance. The evening was one of the finest and the arrangements for giving Durham citizens a free ride down and back drew a good crowd from the town. The receipts, for church purposes, netted over \$27. The following contributed to the entertainment by singing, etc.: Misses M. Barnett, E. McFarlane, E. Patterson, Gertrude Stewart, Maud Caldwell, Messrs R. McFarlane, Jr., J. Kerr, the Varney choir and others, but perhaps one of the most enjoyable features was the excellent refreshments provided by Mrs. Clark. Although the house was necessarily crowded, all speak well of the very enjoyable evening spent and wonder who will be the next to provide for another such a night of it.

Mr. Malcolm McKinnon, of Portage La Prairie left for his home in Manitoba on Wednesday after spending a few months visiting his relations and friends in this vicinity. Mr. M. is a brother of our esteemed County Councillor Chas. McKinnon and has been for the past three years in the employ of the Manitoba and North Western Railway a road 380 miles long running from the Portage to Yorkton. On returning he will remain over in Toronto for a few days to visit his brother and again at Rat Portage he will be detained with some business matters. He is anxious however to get home in time to mark his ballot for a good Conservative candidate. The Chronicle he thinks better than a letter and welcomes its weekly arrival. Times are good with prospects of further improvement next summer. He was much pleased with Mr. Mitchell's visit there last summer and regrets the newspaper deal was not consummated.

Poor Oil!

Don't say our new 'SARNIA' OIL is a poor oil just because you have tested it with an old wick and lamp which are clogged with chemicals and impurities from use of poor Canadian oil.

Don't fail, in testing the new oil, to see that the lamp bowl is clean inside, and that a new wick is used, and that a new burner, or that the old one is boiled in soap suds and made clean.

Don't mix "SARNIA" oil with inferior oil; and then condemn the "Sarnia" oil in consequence.

Don't think "SARNIA" Prime White is equal to American Water White. IT IS NOT. But we claim and sell "Sarnia" Prime White as equal to American Prime White, and IT IS.

Don't accept any spurious imitations for the genuine "Sarnia" Prime White, and
