### THEY DIDN'T DO IT.

A DENIAL BY THE LADIES OF THE W. C. T. U.

The ladies of the W. C. T. U. have been informed that reports are current that they are responsible for the information which resulted in the trial, and in some cases convictions, of parties for illegal liquor drinking on the night of the election. No member of the W. C. T. U. furnished one of these informations, though they see nothing criminal or blameworthy had they done so, or in anyone giving information to the authorities on violations of the law.

### Actors, Singers, Speakers

Thousands of actors, public entertainers, singers, lecturers, preachers and readers are tormented with throat weakness. These delicate organs being overtaxed become susceptible to head colds, influenza, hoarseness, tickling in the throat, sneezing, dropping in the throat, pain over the eyes, dry throat, etc.; all these are forerunners of Catarrh, Asthma, Tonsillitis, and are but stepping stones to more serious complications if neglected.

**DR. AGNEW'S CATARRHAL POWDER** is powerful, painless, harmless, non-astringent, and will cure all such troubles—relieves in 10 minutes.

"I can but proclaim Dr. Agnew's Catarrhal Powder a wonderful medicine, particularly for singers and public speakers. Myself and wife were both subjects of Tonsillitis and Catarrh, and never found anything to equal this great remedy for quick action and curative qualities—it is a wonder worker. I heartily recommend it to my brother professionals."

### Obituaries.

#### KATE CAMPBELL.

Miss Kate Campbell, daughter of Mrs. Quinton Campbell of Bentinck, died Tuesday night, after a lingering illness from consumption, aged 24 years. We are unable to give particulars this week. Funeral on Friday at 2 p. m.

#### GEORGE MATTHEWS.

Mr. Geo. Matthews, a pioneer of Glenelg, died at his home, Lot 68 con 2, early Wednesday morning, after a prolonged illness extending through the whole of the winter. Deceased was about 65 years of age, honest, industrious and respected. He leaves a widow, six sons, and two daughters. The sons are; Andrew, in Montana, Thomas, Manitoba, William in British Columbia, and Robert, George and James in the vicinity. His daughters are: Mary, who is still home, and Mrs. John Lawrence of Glenelg. The remains will be interred in the Durham Cemetery to-day, Thursday, at 2 p. m.

#### JOHN FRASER.

The account given of the death of Mr. Fraser by our Vickers Correspondent is peculiarly sad, but from the letters of the superintendent of the Company in which he was employed, as well as the letters sent by an intimate friend to a sister of deceased, Mrs. Hess of Hamilton, and which we were permitted to read, the surviving relatives have the consolation of knowing that, with his associates, he was regarded a sober and industrious young man. The superintendent speaks very highly of him from an acquaintance of nearly two years, part of which time he acted as brakeman and latterly as conductor.

#### ROBERT GRAY.

On Thursday last Mr. Robt. Gray, of Hamilton, son-in-law of Mr. R. Cochrane of this town had an additional sorrow added to his list by the death of his infant son, Robert, a little boy of six months. The child was only ill a short time when death ensued. The remains were brought to Durham and interred in the cemetery here on Friday last. Only a few weeks previously a sister of Mrs. Gray, Miss J. Cochrane, died at their home and the remains were brought here for interment. Surely Mr. Cochrane and Mr. Gray are having their own share of trouble and the sympathy of the people goes out to the distressed families in the sad bereavements they have so recently been compelled to endure. THE CHRONICLE extends sympathy.

#### GEORGE HENDERSON.

Mr. Geo. Henderson, of Hampden, Normanby, one of the old pioneers of the township, died at his home, Lot 25, Con 18, on Monday morning last at the age of about 65 years. The deceased had been ailing for about five weeks, we are told, from some urinary trouble. He was a hard working, industrious man having settled in the township many years ago, carved out for himself a comfortable home in the wilderness and accumulated considerable property. He leaves a wife and ten children to mourn his loss. He was a Presbyterian in religion and a strong Reformer. The remains were interred in Hampden Cemetery on Wednesday, yesterday, at one o'clock, being followed to their last resting place by a large concourse of mourning friends.

#### ANGUS MCINNIS.

OBITUARY.—On Friday last, April 15th, there passed away one of the earliest settlers of the township of Glenelg in the person of Mr. Angus McInnis at the ripe age of 77 years. Deceased was a native of Ross Mull, Scotland, and came to Canada when quite young, settling on the third Concession, Glenelg, north of Glenora, about 50 years ago, when what even to-day is one of the roughest parts of the township, was all woods, rocks and stones. He was always respected by all who knew him, a consistent member of the Baptist Church and a genuine Scotch Reformer. He leaves a widow, four sons and three daughters namely, Robert, John and Donald McInnis of Manitoba and Peter who still resides on the old homestead. The daughters are Mrs. James McGillvray, Mrs. Neil McGillvray, Glenelg, and Mrs. A. Lynn of Keppel.

#### ARCH. MCDUGALL.

ANOTHER old settler of the Tp. of Glenelg, Arch. McDougall, who had lived for about 40 years on the 10th con., near Townsend's Lake, died on Saturday night last after a lingering illness. Deceased was a native of Argyll, Scotland. He leaves a widow and one daughter, Mrs. J. Hewitson of Bentinck, who have the sympathy of all. Mr. McDougall was a member of the Presbyterian church, a Liberal in politics and universally liked and respected by all who knew him.

### LOCAL NEWS.

—C. McArthur, Upper Town, is paying 9c. per doz. for eggs, and the highest price for butter.

THE Dundalk Herald says: Mrs. McMaster of Osprey is getting her third set of teeth." Are the teeth false or is it the story? We never knew the Herald man to be guilty of a vicious lie.

CHESLEY refuses to have a celebration on the 24th of May unless the hotel keepers contribute \$50 each towards the funds. They have consented to give \$30 each but the committee won't accept the offer.

Isn't it time your last years' subscription was paid? All those a full year or more behind will be charged at credit rates, \$1.50 a year, but to give another chance to the few delinquents two dollars forwarded at once will be received as full payment for two yrs. Please remit.

THE Scenic representation of the Corbett-Fitzsimmons fight did not materialize in Markdale, Flesheron or Dundalk. The Dundalk Herald says: "We doubt if they would have had a baker's dozen to witness it. Public sentiment in this community won't tolerate exhibitions of this kind."

THE English Church congregation worshipping at Egremont School House, 2nd Con., held their annual vestry meeting on Easter Tuesday evening. Rev. Mr. Ryan selected Mr. Wm. McFadden as his warden for the ensuing year. The congregation elected Mr. James Eden their warden. Mr. John Lawrence was elected delegate to the synod.

Charles Rolston, a farmer, about a mile from Walkerton, was driving home yesterday afternoon, his horse took fright at a bicycle and ran away. Mr. Rolston and his son were thrown from the wagon. The father died shortly afterwards without recovering consciousness. The son will probably recover. Rolston leaves a widow and several small children.

WE have in our office a copy of The Alaskan, bearing the date of Mar. 21st, printed as skagway by Mr. O. W. Dunbar. The paper is certainly an insignificant affair compared with the papers we are so accustomed to seeing in this country. It is a four page daily, each page measuring about 10x15 inches, with 4 columns on each page. The modest price is 10c. a copy or 25c. a week. Though favored with a very liberal advertising patronage, no one person seems to occupy a very large space. The advertising rates are not given, but we presume they are proportionately high. The general make up is neat. We are indebted to Mr. Philip Eva for the favor, and tender our thanks.

When a man is small enough to take a paper for more than a year without paying for it and then send in a note refusing it, or, what is worse still to get the postmaster to do his dirty work for him by sending a "Refusal Card" which costs him nothing he is too mean a "varmin" for us to have dealings with. We hope there are not many such characters living, but that two or three are still to be found we have proved on straight evidence. A subscriber has a right to discontinue taking his paper if he wants to, but an honest one will pay up all arrears before doing so. We are not doing business for the mere fun of the thing and no one has any authority for thinking we are. Anyone in arrears and wishing to quit, should have the honor to pay up.

### Throat lined with Ulcers

**A Young Lady Cured of Long Standing Catarrh and Catarrhal Sore Throat by Dr. Chase's Catarrh Cure.**

Miss Anna A. Howey, of Eden, Ont., says that she suffered from Catarrh for ten years used a number of remedies advertised, but was always disappointed in the result.

Last fall she suffered intense pain in her head and her throat was lined with ulcers. The doctors called it Catarrhal Sore Throat, but did not cure it. She saw that Dr. Chase's Catarrh Cure was being highly recommended, so procured a box from C. Thomson, druggist, Tilsonburg, Ont., and commenced its use. Soon the ulcers cleared away from her throat, the pain in her head ceased. She says that Dr. Chase's Catarrh Cure does not cause distress or sneezing when being used, and is the most effective catarrh remedy she ever tried.

Mr. J. D. Phillips, a Justice of the Peace, declares that he knows Miss Howey and her mother, and can vouch for the truthfulness of her statements.

Dr. Chase's Catarrh Cure, sold by all Dealers. Price 25 cents, complete with howey.

### ALABASTINE WALL COATING.

Alabastine makes a coat-

ing as firm as the wall itself. It hardens with age, and is healthful and beautiful. It is also a disinfectant and sweetens rooms.

Alabastine should be used on every part of a building, to be whitened, tinted, painted, varnished, filled, grained or papered, from floor to roof, outside and in; it is used under paint, varnish and paper, but makes a better finish alone for walls.
