A Dyspeptic?

SOUTH AMERICAN NERVINE IS THE RAINBOW OF PROMISE.

Emaciated—weak—gloomy. No one can adequately describe the abject misery of the sufferer from Dyspepsia and Indigestion. South American Nervine is the greatest discovery in medical science for the cure of all chronic stomach troubles. It acts directly through the nerves—the seat of all disease. Thousands testify of cures made. Relief from the first dose.

"I was a great sufferer from stomach and nerve troubles. Tried a score of remedies. No relief. Half a bottle of South American Nervine worked wonders. Six bottles made a new man of me."—W. H. Sherman, Morrisburg, Ont.

Don't experiment with new and doubtful medicines—Take the tried and tested.

TRAVERTON.

Zion Sunday School opened on May Day with a good attendance and under bright prospects.

Mr. Thos. Cook has purchased a very handsome new top buggy.

As is usual with him, Mr. John Greenwood is ahead of his work. He was the first to finish seeding, but his brother Wm. wasn't far behind and he's a heavy cropper. We're a slow lot down on this end of the line. Will wind up about June 1st.

The young people are beginning to plan what fun they will have at the Fall's pic-nic on the 24th.

Mr. Richard Haley had a plowing bee last Monday. Ten teams turned over 15 acres, nearly all sod too. Mr. H. is proud of the way the "Boys" did the work.

Agents would have a task to convince Frank Haley that seed-drills can do faster work than hand sowing. Lately he sowed ten acres in four and a half hours. He's a walker.

Though nearly eighty years of age, Mr. Thos. Connor sows all his grain by hand, and 'tis no small crop either as Maurice is a rustler to plow.

It may be that the "Gander" and the "Goat" are on the down grade, as the "Skeleton" fears, but we've ample proof that it will soon be all up with him.

Mr. Wm. McNally made a good dioker recently. He sold one of his team to Mr. Watson, of Normandy, for \$65. Two days later he bought a fine four-year-old for \$50, and traded an aged mare for a blood three-year-old, so has now a fly young team.

Zion's cemetery is the right spot to have one's remains laid sacredly down. The beautiful church is ever resonant with songs of praise; the neighborhood is a harmonious one and Trustee Board is progressive. Last week Mr. Hugh Firth, agent for the "Gem" wire fence, erected a handsome fence all around the cemetery, costing about \$30. Hugh removed the old one and has made a fine job of the new. The Trustees new offer choice lots on most generous terms to help to defray the expense.

The foregoing part of this budget was written a week ago but we couldn't find anyone Durham ward bent.

Miss Rebecca Banks is home at present from Toronto.

Messrs. John Jardine and Adam Anderson have purchased a Massey-Harris binder in partnership. That's a step in the right direction, but each should invest in a matrimonial binder as well.

A. W. Park has invested in an Antelope bike and can hum along in good shape already. He and his little flock did good work up at No. 6 set ool grounds on Arbor day.

Prof. Brush is meeting with great success these days. He had a big school of pupils over at Townsend's Lake on Thursday night and a larger one on the 6th at Sam. Edwards' barn on Saturday night. None of the lassies need be afraid of Will Jack's fiery roaster after the training he got. The Prof. knows his business and had a lot of dentistry work here.

We like to report a wedding. It makes us fairly whistle and sing. The whole neighborhood feels joyous over such happy events. Last Wednesday Miss Sara Hastie of the hamlet and Mr. John Martin, of Berkeley, were united in the Presbyterian parsonage at Markdale by the Rev. Mr. Hunter. Mr. Tom Rowe and Miss Mary Hastie ably filled the places of honor. The bride has always been one of our fairest and sweetest, but looked charming in her bridal costume, while John is a most likable fellow and will make a loving hubby. The young couple will spend their honeymoon South and then begin home making in Berkeley.

VARNEY.

Dick Allan has taken up his quarters in a butcher shop at Owen St., so we are informed. We wish him success. Jim did not stay long as he likes Varney best.

C. Gadd and Nelson Eden are doing a rushing business in the grafting and pruning line this spring.

Willie McCalmon of Mt. Forest was home last Sunday.

Mrs. Clark is very sick at present. Mr. Thos. Petty won't have to take anybody's dust now, as he purchased a racer the other day.

Pete is making some fine improvements in the way of stoning his farm. He is a hustler you bet.

General Debility and Loss of Flesh

Scott's Emulsion has been the standard remedy for nearly a quarter of a century. Physicians readily admit that they obtain results from it that they cannot get from any other flesh-forming food.

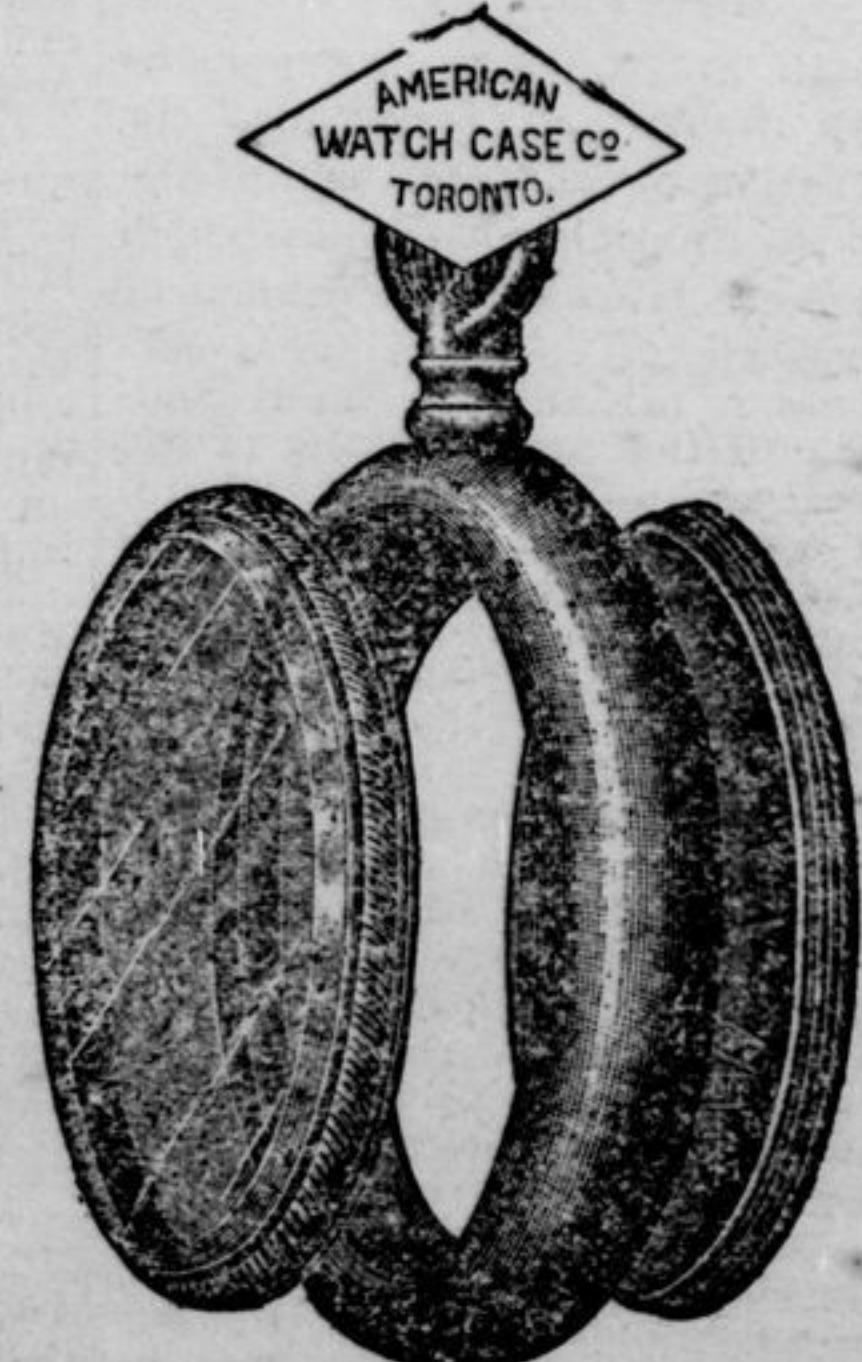

There are many other preparations on the market that pretend to do what

SCOTT'S EMULSION

does, but they fail to perform it. The pure Norwegian Cod-liver Oil made into a delightful cream, skillfully blended with the Hypophosphites of Lime and Soda, which are such valuable tonics, makes this preparation an ideal one and checks the wasting tendency, and the patient almost immediately commences to put on flesh and gain a strength which surprises them.

Mine Host Crawford has had T. Gray engaged for the last week putting in the crop in his little farm.

Mr. Wm. Marshall is making the Thompson estate look like a farm. He is making great havoc among the stones.

Mr. and Mrs. R. Elen were visiting Egremont friends one day last week.

Quite a number of our boys have a terrible mania for going West. There must be some attraction.

Mrs. Stewart Fleming arrived from the North-west on Saturday, to see her mother Mrs. Ezekial Aldred, who has been very poor of late.

We saw the pleasant countenance of W. B. Allan last Sunday, after an absence of a few weeks. He likes his new place well.

Miss Tillie Surr left on Monday for Hamilton.

Yorkville Fire Station, Toronto, March 3rd, 1897.

Dear Sirs,—Having used Dr. Chase's Pills for Constiveness, I am very pleased to say that I consider them superior to any pill I ever used, as they have perfectly cured me of this trouble.

THOS. J. WALLACE, Fireman.

HUTTON HILL.

This week will wind up seeding pretty well.

Mr. H. Noble is home from Milton.

Mrs. Williams, of Bruce Co., and her daughter, Mrs. Watts, of Manitoba, were guests at Mr. Thos. Hutton's a few days last week.

We are sorry to learn that Mr. John Aldred has not been enjoying good health the last few weeks.

When you go into Durham take a look at Gordon's new shop and see if it don't take Ritchie Bros. to lay brick.

Mrs. Stuart Fleming, of the North West, is visiting her mother, Mrs. E. Aldred.

Mr. F. Armstrong sports a new top buggy now. He is not the only one that enjoys it either.

Mr. T. J. Hutton and his mother visited Chesley friends one day lately.

Miss Sarah Gadd spent a few days in Normandy with her mother lately.
