DR. AGNEW'S HEART CURE

Saves Thousands of Lives.

Four years ago Jacob Dewitta, of Hay Island, was dragged to the verge of death by dreadful heart disease. He was given up to die. From vigorous manhood he had gone to a broken despondent wreck. He procured Dr. Agnew's Cure for the Heart, used it faithfully, and today weighs 218 pounds, and lives to bless the day the great remedy was recommended to him. It relieves in 30 minutes.—24.

POMONA.

Mr. A. J. Neil and wife visited Arthur twp. friends last week.

Mr. R. McDonald undertook to build 12 rods of board fence at Sep. S. S. No. 7, and commenced work on Saturday.

We are sorry to hear of the death of Mr. A. Goodfellow, miller, Traverston. Everyone we have spoken to about the deceased gentleman, who have had business dealings with him, speak in terms of praise of his honest and gentlemanly principles. The people of this vicinity extend their sympathies to the bereaved family.

Mr. N. McGrath has undertaken to draw cream from this vicinity to your Town Creamery, and expects to be on the road every day as soon as cream gets a little more plentiful.

While war is raging down in Cuba, these owning fruit trees should wage war on the tent caterpillars, as they are making active preparations to besedge the trees upon which they are encamped.

Mrs. Jas. Sullivan had the misfortune recently to break her arm near the wrist. She was driving the cows down the lane to the pasture, and leading a horse at the same time. When the gate was reached, the horse bolted in suddenly, jerking her to the ground, with the result as above.

Mr. Dan. McDonald, late of the British Hotel, Durham, moved his family to our neighborhood last week, he having quit the hotel business for the present at least.

He's as jolly as he looks, and a most likeable fellow. is Mr. M. Henry of Maple Grove. He, together with his sister Mrs. Joe McDonald, attended mass and musical vespers at St. John's Church Sunday week, and also spent a few hours with Ye Scribe.

Annexation is spoken of in our burg. We mean there are two hearts that beat as one, two heads with but one single thought. No doubt a wedding will be the result e'er long.

We hope our short budget will be excusable this week, as we have not been attending to our business of late, and the Goat occasionally breaks out of his paddock and goes foraging about, but if he has managed to glean pointers enough for his new lullaby song, he will no doubt find employment during his spare moments humming the same, to keep time to the oscillations of an occupied cradle.

SACKETT'S CORNERS.

We are pleased to hear that Mrs. Paris, who left the corners some months ago for Buffalo to attend a sick brother has returned. Welcome back.

The seeding is now over and most of the potato planting done. Every one is satisfied with himself that he has done his part and now we leave the rest with Providence for a bountiful crop.

We understand that Daniel Robinson has invested in a steam threshing machine.

Miss Eva Ferguson, of Durham, gave the corners a call this week.

Mr. Angus McDonald has sold his fat cattle and pigs for a good price.

Miss Ernest, of Balsam Valley, is visiting her sister, Mrs. G. Sackett, at present.

John Cousing of Bradford, a young lad of about 10 years, fell into a bin at Luke's flour mill at that place, and went down the chute, but was dead when found.

A temperance organization meeting was held in the Presbyterian Church here on Monday and a society organized with a view to fortifying the plebiscite campaign. Only a small number of delegates was present, but the interest was high. In the Town Hall in the evening Mr. Marshall, the provincial organizer, delivered what is pronounced a good address. Owing to circumstances over which we had no control we were unable to be present, and can therefore only refer briefly to the fact that such meeting was held.

An ordinary cough or cold may not be thought much of at the time, but neglect may mean in the end a consumptive's grave. Dr. Chase's Syrup of Licelal and Turpentine will not cure Consumption when the lungs are riddled with cavities; but it will stop the cough, will cure consumption in its early stages, and even in its last stage give such relief as to be a perfect God-send to those whose lives are nearing a close.

COURT OF REVISION
TOWN OF DURHAM.

NOTICE IS HEREBY GIVEN THAT THE FIRST SITTING OF THE COURT OF REVISION for the Town of Durham for the year 1898 will be held in the Town Hall, Durham, on **Thursday the 26th day of May, 1898,** at 7:30 o'clock p. m.

Dated at Durham this 3rd day of May, 1898.
GEO. RUSSELL, Clerk.

Mr. M. D. Hunter, B. A., principal of Woodstock Collegiate Institute, died Saturday morning.

It is understood that the late D'Alton McCarthy carried \$75,000 life insurance, distributed in various companies.

In another column will be seen an account of depredations committed in Durham by some unprincipled fiend who under cover of darkness vents his wrath by senseless destruction of town and private property. Persons who commit such deeds "love darkness rather than light" and it is just a question if the town would not be wise to re-establish the lighting of our streets. Should such lawlessness be continued it seems almost necessary to put on a few night watchmen, men who will have nerve enough to brand persons who are suspiciously employed.

DR. CHASE'S KIDNEY-LIVER PILLS

MR. J. H. BREMER, C.P.R.A.C.,
Windsor, Ont., says: "I was troubled with Dyspepsia, and Kidney and Liver trouble for about 8 years. I took Dr. Chase's K.L. Pills. They cured him, and now he recommends them to others."

HENRY MOORE, Pickering, Ont., says that for Constipation and Stomach Troubles he never found the best of Dr. Chase's K.L. Pills. He suffered many years, tried various remedies, but none gave the same relief as Dr. Chase's.
