Actors, Singers, Speakers

Thousands of actors, public entertainers, singers, lecturers, preachers and readers are tormented with throat weakness. These delicate organs being overtaxed become susceptible to head colds, influenza, hoarseness, tickling in the throat, sneezing, drooping in the throat, pain over the eyes, dry throat, etc.; all these are forerunners of Catarrh, Asthma, Tonsillitis, and are but stepping stones to more serious complications if neglected. DR. AGNEW'S CATARRHAL POWDER is powerful, painless, harmless and quick-acting, and will cure all such troubles—relieves in 10 minutes.

"I can but proclaim Dr. Agnew's Catarrhal Powder a wonderful medicine, particularly for singers and public speakers. Myself and wife were both subjects of Tonsillitis and Catarrh, and never found anything to equal this great remedy for quick action and curative qualities—it is a wonder worker. I heartily recommend it to my brother professionals." Al. Emmett Fostell, Actor, New York City.—37

OBITUARIES.

MRS. ROBT. COCHRANE.

Mrs. Robert Cochrane only daughter of the late Alexander Hunter and beloved wife of Mr. Robert Cochrane, of Durham, died on Monday morning last at the age of sixty-three years. Though ailing from heart trouble for some time it was not thought that death was so near, but since the sudden death of her daughter a few months ago, she has been failing rapidly. The greater portion of the life of the deceased lady was spent in Durham and its immediate vicinity. She leaves two sons, both residing in Manitoba, and three daughters: Mrs. Robt. Gray, of Hamilton, Mrs. Morlock and Miss Kate both of whom live in town. Mrs. Cochrane was a strict member of the Presbyterian Church, and was highly respected by all who knew her. The funeral took place on Wednesday afternoon. We join in the general sympathy for those who have been called upon to mourn the departure of so many loved ones during a few short years.

MRS. THOS. BOULDEN.

And still another pioneer of Durham has passed beyond that bourne from which no traveller returns. This week we have to chronicle the death, in her eighty-third year, of Mrs. Thomas Boulden whose death took place on Saturday last at the home of her son James, of Elmwood, whom she went to visit just three weeks before her mortal remains were laid to rest in the Durham Cemetery on Monday last. The deceased was born Sept. 30th in the County of Kent, England. In 1836 in her native county she was married to Mr. Thos. Boulden who died twenty years ago. In 1858, she with her husband and six children, three sons and three daughters, emigrated to this country and settled in Durham where she has since resided. The surviving children are James, of Elmwood, Wm. J., of North Dakota, and Mrs. Archie MacKenzie, of Durham. The deceased old lady was always strong and healthy, never knowing sickness until a few weeks before her death. She frequently went out for a walk and felt pleased to know that she was able to get around so well. Her mental faculties remained with her to the last and her stories of incidents that transpired years ago were frequently told with marvellous clearness and accuracy. The bereaved families have the sympathy of the CHRONICLE in their trouble.

MESS ANNIE MCCORMICK.

The dark shadow of death has again crossed the threshold and another is called away to join the great and silent majority in the person of Miss Annie McCormick, who died on Friday, June 10th, at her home near Glenrobin, in the Tp. of Glenelg. About the 1st of March last the deceased had an attack of pleurisy and heart trouble but under Dr. Park's attendance was doing well and was thought to be out of danger, but a few days ago the same trouble returned and on Friday last death ensued. Her remains were laid to rest in the Rocky Saugeen Cemetery on Monday, June 13th. A large concourse followed the remains to the grave. The Rev. Mr. Burns, of Corinth, conducted the services, taking for his text the 15th chapter 1 Cor. and 57th verse, and gave an excellent address from the words: "But thanks be to God who giveth us the victory through our Lord Jesus Christ." The deceased requested before her death to sing at her funeral the hymn entitled, "O happy day that fixed my choice," etc. She died in the full assurance of a glorious resurrection. The bereaved family have the sympathy of the entire community.

MRS. E. ALDRED

Whose maiden name was Mary Sirrs was born at Enniskillen, Ireland, in the year 1824, and in 1829 emigrated with her parents to Canada. Until 1842 they lived in Adjala township, Simcoe county, when they removed to Normanby. In 1844 she married Mr. E. Aldred who still survives. Their family consisted of nine children in all, one of whom (Mrs. Fleming) died a few years ago. Six daughters and two sons are still living, most of them in Ontario and the others in Manitoba. Having been reared under church of England influences she after her marriage became a member of the Methodist church which relation until her death she faithfully held. The funeral took place on Wednesday, June 8th and although the weather was unfavorable a large number of friends was present to pay their last tribute to the departed and also to express their sympathy and regard for the sorrowing family. An impressive service was held in the Methodist church Varney and a short sermon was preached by her pastor from Phil. 1: 21, after which the body was interred in the Maple Hill cemetery there to await the final

resurrection. We sorrow not as those without hope for her dying testimony was, "I'm Going Home." The fullest sympathy of the community is extended to her surviving partner and to the family at home and abroad.

Put Them Outside.

The Guelph Mercury gives advice to Walkerton on the building of sidewalks. It says:

"The Walkerton Council is wrestling with the question of laying the stone pavements outside the shade trees. To the Council of Walkerton we say by all means put them out. The Guelph Council had the same question before them years ago, and it is safe to say that the bitterest opponent to have them put out, will acknowledge to-day that he was wrong. Guelph has close on twenty-five miles of stone pavement and they are all out on the streets with the exception of the main streets or in a few cases where the streets are narrow. If Walkerton wants to have well kept lawns and a tidy looking town by all means, put out the sidewalks."

What is Scott's Emulsion?

It is a strengthening food and tonic, remarkable in its flesh-forming properties. It contains Cod-Liver Oil emulsified or partially digested, combined with the well-known and highly prized Hypophosphites of Lime and Soda, so that their potency is materially increased.

What Will It Do?

It will arrest loss of flesh and restore to a normal condition the infant, the child and the adult. It will enrich the blood of the anemic; will stop the cough, heal the irritation of the throat and lungs, and cure incipient consumption. We make this statement because the experience of twenty-five years has proven it in tens of thousands of cases. Be sure you get SCOTT'S Emulsion, 50c. and \$1.00, all druggists.
