From the way in which time is wasted on the roads, it would be well for every municipality to commute the Statute labor even at twenty-five cents a day. More and better work could be done under such an arrangement.

Though the townships along the gravel roads should be kept in repair by the municipalities, they are so neglected that pathmasters have to do their statute labor on them instead on the side-roads where it should be done.

Ten years has so changed the chubby-faced boy into a dashing youth, that we didn't recognize Mr. Robert McCaslin, of Louise, as our pupil of the years gone by. He drove Misses Jennie and Katie Stewart of Dornoch over to see their sister, Mrs. John McNally. We'll know Rob. next time.

Zionites are acting generously with Durham this time. They are going to hold their Sunday-school picnic at the Falls on July 2nd. A splendid programme will be given on the grounds. A well managed booth, swings, and fun galore will make the day a joyous one. Persons not bringing edibles will pay a dime for entrance fee, but editors will be slipped in free owing to the atomic size of their maw.
