VOLUME 31.

DURHAM, ONT., JULY 7, 1898.

NO 1635

LOCAL NEWS.

King William is billed for Durham July 12, 6 Bands, 30 Lodges. Come!

The annual picnic at Edge Hill was largely attended yesterday afternoon, Wednesday. Particulars next week.

Mr. H. A. Hunter, has resigned his office as Captain of No. 4 Company and will be succeeded by Lieut. A. D. Galbraith.

The Marble business is in full blast, two additional men being at work this week, and Mac himself, is roping in the orders.

A neatly executed Prize List, Lithographed cover, of the Western Fair to be held in London, Sept., 8th to 15th has reached this office.

At the meeting of the Town Council on Monday evening a tender was accepted for the building of the granite sidewalks. Work will be commenced at once.

For the accommodation of strangers the ladies of the Methodist Church will furnish dinner in the Town Hall Durham, on Tuesday, July 12th. Proceeds in aid of the Church funds.

The following representatives on the Methodist Church Board were appointed Sunday morning last:—Messrs T. Reid, G. Matthews, G. Simpson and Misses Orchard and Culbertson.

The Farmers' Grey & Bruce Fire Insurance Company does insure farm buildings against steam thrashers and lightning.

JOHN LIVINGSTON,
Durham Agent.

Every brilliant meteor, which illuminated the whole heavens passed across the North East quarter of the sky about half past nine Tuesday evening. As it reached the North, explosion occurred followed, we are told a loud thundering sound.

A very quiet wedding took place on Wednesday last, June 29th at the residence of Mr. Charter Smith, when his daughter, Miss Jane was united in marriage to Mr. Thomas Paton, of Hampden, Normandy. The ceremony was performed by Rev. Mr. Ferguson in the presence of a party of immediate relatives and friends. The contracting parties were highly spoken of and the Chronicle joins in offering congratulations. On Thursday they left for their home in Normandy where they will be welcomed in the community.

The residence of Mr. John McFarar, Pomona, was struck by lightning last week during a severe thunder storm and the inmates miraculously escaped death. The electric current passed down the chimney, upset a bed in which two of the children were sleeping tumbled them out on the floor but did them no harm. Miss McAssey, the teacher, who slept in another bed got up just in time before the accident, to escape being killed as her bed was badly struck and the clothing set on fire. The damage however we are pleased to state was comparatively slight.

The Christian Endeavor Convention Tuesday last in Priceville was, we imagine, the largest ever held in North Grey. At the afternoon session the handsome Presbyterian Church was filled so that chairs had to be placed in the aisles while many had to remain standing. President Sharp was in the chair. The addresses were interesting and spirited. The tea furnished by the ladies and served in the basement was all that could be desired. The cooking was excellent and yet it cost only a dime to satisfy the cravings of the most voracious. A fuller report will be given next issue.

The brave soldier boys, tanned and blistered, returned home from Niagara on Saturday night last, and were met at the train by hundreds of citizens, young and old. The two weeks' drill straightened them up considerably and now they walk with true military precision. A number of the ladies prepared lunch for them in the Town Hall to which they repaired and as they had nothing to eat since early morning it is needless to say they enjoyed and appreciated the repast. They are welcomed home, and will no doubt enjoy the evenings of peace after spending their two weeks on the field of bat-

THE RACES.

For some time the Turf Club, has been preparing for Dominion Day and their efforts were amply rewarded on Friday last, when racing of the most satisfactory kind was engaged in on the track here. The morning had a lowering appearance and threatened rain but before ten o'clock the clouds broke, the sun shone forth in all its effulgence and the Club responded with their most radiant smiles.

Great pains had been taken to put the track in good shape, with the result of a marked improvement on former years, the new road grader had been used with telling effect and "the boys" rejoiced over the improved condition of things. Town horses had been trained for the event and it was hoped that the bulk of the purses offered would be won by local horsemen. However, horse racing is a matter of considerable speculation, yet Baby Boy, owned by Mr. Robert Scott here carried off first in the 2.50 trot making his mile in 2 m. 40 sec. Bob is quite a driver, and kept the little fellow just ahead until nearing the goal when he shot off like an arrow leaving his competitor several lengths behind, and leaving the crowd in equal ignorance of his real speed if put to the test.

Mr. Knapp's famous runner "Springbok" took only second prize in the open Run, but would have taken as easy first with a good start and a rider about ten pounds lighter.

Owing to the absence of our Battalion Band which was in Camp at Niagara, the Club secured for the day the splendid services of the Hanover Band, whose captivating strains formed a most pleasing feature on the field.

THE ENTRIES.

In the Free for All trot or Pace there were three entries 1 "Pacer Bill," by J. S. Kuhl, of Elmira, 2, "Brown Richmond," by I Mathieson, Chatsworth, 3, "Lisbon," Herb Wilkins, of Owen Sound.

One of our leading farmers has this to say about the races, that through them he met a purchaser for all the horses on his farm who is coming again to pick up another load.

The Free For All was pronounced the best race ever trotted in this northern country.

The track record was reduced 12 seconds. The owner of the winner in the running race stated that he never had better footing at the Woodbine at Toronto.

Epworth League topic for Monday evening: "The Rainbow of Christian Character."

Miss McIntyre, while returning on her wheel from visiting Markdale friends recently, dismounted while coming down one of the Glenelg hills. "Smile" is a very pretty word but will hardly describe the expression on the rider's countenance after performing the graceful feat.

Cheaper and Better Than Doctors.

Don't take one physician's advice, but take Sloan's Indian Tonic, which is compounded after the suggestions of three of the most eminent doctors in America. It purifies the blood, builds up the system, strengthens the nerves, and regulates the bowels. A dollar bottle lasts six weeks. That your druggist has it proves his up-to-datedness.
