Are you short of breath, nerves unninged, sensation of pins and needles going through your arm and fingers? DRAGNEW'S CATARRHAL POWDER RELIEVES IN TEN MINUTES

No case so slight you can afford to neglect. No case so deep-seated that Dr. Agnew's Catarrhal Powder will not relieve instantly and cure permanently. It has made marvelous cures, and enjoys the esteem and high endorsement of the medical profession.

Through exposure I contracted that dread disease—Catarrh. My case became chronic—in 10 minutes after first application I had relief, and in a short while I was completely cured. W. L. LAYVELL, G. T. R. Brakeman, Annapolis, Ont. 34

FLESHERTON.

The down pour of rain on Tuesday last week interfered with the completion of the East Gray Fair. Several speeding horses were on hand and some stock and poultry brought out, but the gates were never opened.

The Fall Millinery openings took place here Tuesday and Wednesday of last week and the display made of prettily and tastefully trimmed hats, bonnets, etc., was highly creditable to the deft fingers of the milliners in charge. In shapes the latest styles were all represented, and trimmings of the newest fabrics and colors were there in great abundance. The inclemency of the weather on opening days kept many of the ladies at home, but since the return of sunshine the milliners and their assistants have been kept busy showing and disposing of their works of art.
 Archie McIntyre of Osprey while driving home Saturday night "half seas over" ran down the horse-drawn subankment, landing about thirteen feet below the road level. The buggy was damaged. (We presume it was squealing Archie as we heard yells about the time of the accident. — Ed.)

Rev. Mr. Ward, who is passing through sore bereavement left for a couple of weeks rest with friends in Toronto, Galt and Perth. During his absence the ministers from Kimberley, Dundas and Priceville will act as supplies.

Rev. Richard Strachan, of Brookholme, Agent for the B. & F. Bible Society will preach next Sabbath morning in the Baptist Church, and in the evening in the Presbyterian Church. The Annual Bible Society meeting will be held in the Methodist Church on Monday evening.

At the monthly meeting of the Woman's Missionary Society in the Methodist church last week Mrs. W. H. Thurston gave a very interesting and instructive report of the annual convention recently held at Orangeville.

Mr. Wansboro, who has been night operator at the station for the past seven years, left with his family on Monday for Fergus, his old home. Mr. T. Rea of Toronto Junction succeeds him at the ticket.

Mr. D. W. Thompson, Brookhill, spent an evening with friends in town last week and left next day to join his brother, A. E. in Evangelistic work at Ithaca, N. Y.

Miss Christie left Thursday for a few weeks' visit in Toronto.

Miss Mina Bunt who has been the guest of Miss Gertrude Bulmer for some time returned to Woodbridge.

Mr. Baxter of Owen Sound visited at Mr. A. M. Gibson's part of last week.

Rev. L. W. Thom left this week for Fergus and will next week attend the Provincial Association convention in Belleville.

PRICEVILLE.

We noticed a week or two ago a request from the Editor asking Cors. to send in something short and spicy to the Chronicle. We do not claim to be a correspondent from this place but we do claim and know it for a fact that Priceville has been neglected and almost minus a correspondent for the last 12 months. "Is there no balm in Gilead," etc., or are there no writers in Priceville? Yes, lots of them, but whose business is it to take upon himself to be correspondent?
 D. McNicol Esq., Ex M. P. P., attended our Exhibition last week
 There was a little scramble on Show night of a tumble down nature. Should Prohibition take effect the contracting parties will prove to be jolly good fellows.

We saw a number of our township and county officials at our fair last week viz: Messrs Binnie and McKinnon, commissioners South Grey, and Mr. Watson from East Grey. We hope to see them all returned to the end of 1900. George Lamb was on hand and is again to be one of the candidates for municipal honors in Glenelg at the coming election. As Mr. Lamb was only one vote behind last year he claims to be entitled to receive enough at the coming election to secure him a seat at the Council Board in 1899. John A. McMillen of course is sure of a seat and we hope to see the Council more evenly divided then they were in 1898 through out the whole municipality. Artemesia is always quiet on account of each ward having to elect their own municipal officers. We do not hear of any opposition to our representative in Priceville ward, but it is yet a little premature and we will have to wait till election day.

We saw the Pomona penman on show day. We expect a visit from him soon in his official capacity.

A meeting of the Tract and Bible society will be held in the Presbyterian church in this village on Friday evening, the 21st inst, at 7:30. The Rev. Mr. Strachan agent of the Society will address the meeting.

Mr. Charles McDougall, of Michigan, a former resident of this place, is visiting friends in and around Priceville at present.

The old teachers have been re-engaged in our school for 1899, viz: Mr. Blakeston and Miss Derby. We are not positive but we think Miss McCannel is again re-engaged at Top Cliffe school for the year 1899.

The Sacrament of the Lord's Supper will be observed in the Presbyterian church in this village on Sunday next, the 23rd inst. Rev. Mr. Campbell, of Dromore, will preach the preliminary sermon on Friday of this week at 11 o'clock a. m.

Our Exhibition on Wednesday, the 12th inst. was quite a success but as the Editor was there it relieves us of saying anything further about it; only Providence made dry weather for the occasion in the afternoon for we the good people of Priceville are

a peculiar people highly favored, etc, rather than our poor brethren as Flesher on who made the double attempt of having an exhibition but the Heavens poured rain incessantly both days causing a total failure.

Mr. John McArthur, merchant, has been under the roof for the last couple of weeks from the effects of a severe cold, but is able to be around again and attending to business.

Tax collector of ward No. 1, Artemesia, is out on duty already. He is about the first to commence.

Heavy frost on Saturday night. The first almost of the season.

Some of the farmers have a lot of ploughing done while others are only commencing. A few have not thresh'ed yet on account of waiting for steam thr. shers.

Miss Simpson is complaining and not able to be out much.

Mrs. Chas. McDonald and Neil McDonald, 4th con. Glenelg, are also on the sick list. The former is improving, however.

John A. McLeod is out taking orders for views during his spare time. His winning manner should find lots of patronage.

No Cocaine in Dr. A. W. Chase's Catarrh Cure

Prof. Heys, Ont. School of Chemistry and Pharmacy, says:—"I have made an examination of Dr. Chase's Catarrh Cure for cocaine and in all its compounds, from samples purchased in the open market, and find none present." We offer a reward of \$1,000, to be devoted to any charitable institution if any druggist or doctor can find the least trace of that deadly drug cocaine contained in Dr. Chase's Catarrh Cure recommended by all dealers at 25 cents box, blower included free.

FOR SALE—Two pure bred Jersey heifer calves. Apply to **FRED. PEEL,** Durham. tf

SACKETT'S CORNERS.

The weather of late has been cold and wet which reminds us that ere long dreary winter will be upon us and even now fur coats and caps are once more donned.

Mr. Harry Haw and Mr. Arthur Haw, both of Toronto, are visiting their uncle, Mr. George Sackett, and other friends this week.

After four month's of patient suffering Miss Ernest passed peacefully away at the residence of her sister, Mrs. G. Sackett's

Mrs. G. Sackett has had an attack of lagrippe but is some better.

DR. A. W. CHASE LECTURING AT ANN ARBOR, MICH.

THE MEDICAL PROFESSION
 Recommend Dr. A. W. Chase's Ointment.

Dr. C. M. Harlan, writing in the American Journal of Health, of February 19, says:—

"Among the proprietary medicines deserving recognition is 'Dr. Chase's Ointment,' compounded by THE DR. A. W. CHASE MEDICINE CO., Buffalo, N. Y., and Edmondson, Bates Co., Toronto, Ont., as a remedy for sores, eruptions, and skin diseases of all kinds, for which it has been used with marked success, and has effected remarkable cures in many obstinate cases which seemed to baffle the skillful medical attendant. The results were most favourable, proving the value of 'Dr. Chase's Ointment' as a curative agent in the diseases named. The manufacturers of the remedy are well-known as experienced pharmacists, careful and reliable, in addition to which we have made full examination, and find the article to be all that is claimed for it. It is not the practice of the medical profession to indorse indiscriminately the use of proprietary medicines, but while we condemn the bad and worthless, we are still more ready to indorse and recommend the remedy deserving the recognition."

"Neither the physician nor the responsible Journal of Health now refuses to acknowledge the claims of such proprietary remedies as 'Dr. Chase's Ointment,' which prove their virtues by curing where other agencies have failed.
 "We know that 'Dr. Chase's Ointment' meets all requisitions of the highest standard of worth, that it will be held in high esteem wherever it is used, and consequently we indorse it to every reader."
C. M. HARLAN, M. D.
