The foregoing definition may help some of our readers to a clearer conception of the temporary arrangements now being made in relation to the Alaskan Boundary Question.

At the Arthur Races on Monday last in the 2.40 trot or pace, the first prize was taken by Baby Boy formerly owned by Robt. Scott, of Durham; but now by Ed. Jackson, Toronto, in three straight heats, "Blackthorn" owned by J. A. Hunter, our enterprising Durham Merchant coming in second every time. We must congratulate Jim on his success, but would like to see him go it just one better. The third money was taken by "Tommy Mack," the property of J. McGinnis, of Listowel. Owing to the heavy rainfall the races are said to have taken place in eight inches of mud. In the last heat, mud and all, "Blackthorn" and "Baby Boy" were almost neck and neck in 2:40.

MR. GEO. SPARKLING, who has been absent for the past ten or eleven weeks, visiting and prospecting in the vicinity of Dauphin, Man., returned to town on Saturday night last. In a short interview with him on Tuesday we ascertained that he is quite delighted with the country and will be no surprise to us, should we hear of him deciding to make his home out there in the not very distant future. Dauphin, a cultivated field only two years ago, contains now fifty new buildings are being erected, one of them a residence that will cost between \$3,500 and \$4,000. There are four elevators, in the place churches, schools and every line of business. This year is witnessing a large influx of population.

The deceased came from Ontario about one year ago and settled with her son here. She was born in Argyle, Scotland in 1824, and since coming to Whitemouth, Mrs. Campbell had endeared herself to all who knew her, through her beautiful Christian character and kindness. She leaves two sons and four daughters, Messrs. Donald and Charles Campbell, Whitemouth; Mr. J. A. Cameron, William Avenue, Winnipeg; Mrs. W. R. K. Johnston, McDermott Avenue, Winnipeg; Mr. J. A. McKinnon, Midway, Manitoba, and Mr. McTaggart, Toronto, the pallbearers were Messrs. Ross, Moilan, D. Brunsdin, Jas Anderson, McColl and R. McDonald. The funeral sermon was preached by R. A. Induction of Rev. Mr. Graham.

(From our own Correspondent.) On June 6th, the anniversary of the induction and ordination of Mr. Little six years ago, the Rev. Mr. Graham, of Bayfield and Bethany, was inducted into the charges of Dornoch and Rocky Saugren. Although the day was cloudy and showery which no doubt deterred many from being present, yet as the hour for commencement arrived, the commodious church which will comfortably seat 400 was filled to the doors. Rev. Mr. Burnett presided and expressed his great pleasure at having a former school mate and friend placed so near him. Rev. Mr. Black, of Knox Church Sydney had Holland Centre, preached the sermon, taking as the basis of his remarks, Mark IX, 6-"Have salt in yourselves and peace one with another," from which a fitting and eloquent discourse was delivered. Rev. Mr. Little then narrated the circumstances which led to the call, after which Rev. Mr. Hunter, of Markdale, gave the charge to the pastor, and Rev. Dr. Somerville, of Owen Sound, the congregation their injunctions, giving them many good and wholesome truths to reflect on. After the benediction was pronounced and repaired to the Manso grounds where tables laden with all the eatables a critical epicure could wish were tastily spread, and where amidst feasting and good words of welcome to their pastor and family, who, by the way, resembles his predecessor in his earnest, kind and sociable manner and his fair to be as popular and beloved by his people, a happy and long to be remembered evening was spent.

OBITUARY.

WALTER HASTIE.

We are called upon this week to chronicle the death of another old resident of this town in the person of Mr. Walter Hastie who died on Monday evening last at the residence of Mr. Wm. Slatcher where he has been boarding. Deceased was about 85 years of age. He was born in Scotland where, in the city of Edinburgh, he served his apprenticeship in the Dry Goods Business, after which he emigrated to Canada at the age of nineteen or twenty years. For some time after his arrival he was engaged as Book-keeper, in the Doon Mills Distillery.

About forty-two years ago Mr. H. first came to Durham and entered business, known by the firm title of "Hastie & Wilson," a Mr. Wilson being his partner's name. For a short time this firm carried on business in the store now occupied by Bean & Co. and known as 'The Big 4.' After dissolving the partnership Mr. Hastie accepted a clerkship with Mr. Dalglish with whom he remained for some years and undertook the management of the business after Mr. Dalglish left town. Subsequently a partnership was formed with Mr. C. L. Grant, and during this period held the position of mayor for two terms. For many years the deceased gentleman held the position of secretary of the Durham School Board and was prominently identified with every movement intended to promote the town's welfare in a moral or material sense.

After severing his connection with Mr. Grant he spent some time as book keeper with the Haggart Manufacturing Co., of Brampton, and at a later date as clerk for the late Mr. J. H. Hunter. After leaving Mr. Hunter various pursuits were followed until about six or seven years ago when he took board in town and decided to end his days here. For some time Mr. Hastie has been very feeble but able to be round until two or three weeks ago.

A son, Walter, now in the West, and a daughter, Mrs. Henderson, of Toronto, are his only surviving children. On Wednesday afternoon the remains were interred in Durham Cemetery beside those of his wife who preceded him over twenty years ago.

The Heat of Summer

and the Cold of Winter makes the use of DIFFERENT Breakfast Foods almost imperative for some natures. Rolled Oats are nourishing but they heat the blood-some people can eat them and gain strength from them right through the year.

Molina Rolled Wheat

is a rich, delicate, nourishing substitute for Rolled Oats. For invalids and those of weak digestion it serves an ideal purpose for the breakfast porridge in hot weather. IT DOES NOT HEAT THE BLOOD. Your grocer sells it by the pound. THE TILSON CO. (LIMITED) Tilsonburg, Ontario.

A very sad death occurred Thursday in Melancthon near Shillingley. In the afternoon of that day Mrs. Allan and a young daughter were alone in the house. The daughter left the kitchen for a few moments and when she returned her mother in flames just outside the door. With great presence of mind she immediately dashed a pail of water on the burning woman. Her injuries however were of such a nature that she died that same evening.

Tortured by Itching

Women are almost driven insane.

Instant Relief in Dr. A. W. Chase's Ointment

One of the most distressing symptoms imaginable is the almost unbearable itching which is an accompaniment of Leucorrhoea or white discharge. The nerves are irritated by the poisonous charge, and the result is an itching which is only rendered more excruciating by rubbing or scratching. Especially at night, when the body is warm, the patient is tormented beyond the powers of human endurance. Sleep or rest is out of the question. Nervousness, irritability and despondency are a natural result. In these offices there are on file thousands of letters from grateful women who have found in Dr. Chase's Ointment a quick and certain cure for this itching to which women are subject. During the expectant period many women suffer similar agony from itching of the parts, or itching piles, which are absolutely cured by Dr. Chase's Ointment. The first application of this great discovery of Dr. A. W. Chase will afford prompt relief. At all dealers, or Edmondson, Bates & Co., Toronto.
