WATERSVILLE.

Barn raisings were the principal events of the last few weeks and our stalwart young men have had opportunities to show their strength and skill. The first barn raised was John McNally's, 10th con. on June 30th. Alex. Ellison and Tom Parks were captains and after a close and exciting race the latter won by a few minutes. The barn is 36 x 40 feet, and Framer Brodie deserves praise for the well fitted structure. On July 1st there was a large barn, 50 x 66 feet, raised for John Morrison. A large crowd were present and framer McKechnie, who is an expert, soon got the timber in readiness for raising. Alex. Ellison and Tom Parks were again captains, the result being reversed this time.

Miss Maud and Cassie McGilvray, of Bunesan, visited at their uncle's, Mr. Peter McInnes.

Mr. Hector McKechnie spent a few days in Owen Sound last week.

Mr. Austin McDonald, Calt, is spending a few days with friends in the neighborhood.

Mr. John Kingston, of Meaford, was for a few days the worthy guest of Mr. Tom McNally of the 8th.

Mr. Henry Clark has purchased a brand new wagon from W. Calder, Durham.

Miss Maggie McArthur, of the 4th, was the guest of John McKechnie from Saturday till Monday.

Our generous friend Wm. Bell often visits Durham, and when he does he goes to the Far-lane.

Emke Bros. have completed the stone wall at Mr. Geo. Twamley's.

The home of Mr. Tom. Gleucross is at present enlivened by the presence of his sister, Miss Mary, who has been in Toronto during the past two years.

Miss Flora McDonald, of Bentinck, is spending a few days with friends on the 10th.

Mr. Lorne Barclay, of Owen Sound, spent a few days with friends in the vicinity.

Mr. Sandy Ellison and Jas. Goodwell each lost a valuable horse lately.

They make pure blood and strong nerves and build up your health. Easy to take. Try them. Only 25 cts. a box. Cure guaranteed. Sold by local Druggists.

On Sunday evening last as we were passing Mr. Gorsline's residence we noticed the front room packed with people. Being accustomed now, through force of habit, to rush into crowds that seem peaceably disposed, we bolted in unceremoniously to see what was up. Rev. Mr. Ryan was the biggest and first man we saw. This threw us a little out, not knowing whether we had entered a marriage ceremony or were face to face with a sick bed scene. But the stentorian voice of Mr. Gorsline as he gave utterance to the words "ereus, grandeflora," etc., etc., satisfied us that the professor himself was all right. The cause of excitement was the opening of a Night Blooming Cereus seven or eight inches across, a magnificent flower which had just spread its broad petals to close again forever before the rising of the morning sun. It was a beauty and as such occurrences are very rare we will forgive even the minister for thus gratifying his curiosity in feasting on the beauties of nature.

A Jury of Women.

W. Chase America's greatest physician. This great kidney cure is sold by all dealers at 25 cents a box, and has proved most effectual as a remedy for the many ills to which woman is subject.

The Heat of Summer

and the Cold of Winter makes the use of DIFFERENT Breakfast Foods almost imperative for some natures. Rolled Oats are nourishing but they heat the blood-some people can eat them and gain strength from them right through the year.

Molina Rolled Wheat

is a rich, delicate, nourishing substitute for Rolled Oats. For invalids and those of weak digestion it serves an ideal purpose for the breakfast porridge in hot weather. IT DOES NOT HEAT THE BLOOD. Your grocer sells it by the pound.

Triumphs over the Worst Forms of KIDNEY DISEASE

The wonderful success of Dr. Chase's Kidney-Liver Pills adds to the fame of the great doctor whose name is familiar in almost every home as the author of the world famous Recipe Book.

Scores and thousands of grateful men and women have been rescued from the miseries and dangers of kidney disease by this greatest of all kidney cures.

Mr. D. C. Simmons, Mabec, Ont., writes: "My kidneys and back were so bad I was unable to work or sleep. My urine had become like brick dust, I was compelled to get up four or five times during the night. I saw Dr. Chase's Kidney-Liver Pills advertised and concluded to give them a trial. I have only used one box and am completely cured. I was a great sufferer for 18 years, but my kidneys do not bother me now. I enjoy good rest and sleep and consider Dr. Chase's Kidney-Liver Pills a boon to suffering humanity."

ALEXANDER McDONALD died Monday last at the home of Mr. Boyd, near Gledroaden at the advanced age of 79 years. Deceased was one of the early settlers of this vicinity, a native of Argyll, Scotland, a consistent Presbyterian, and a staunch Grit, having regularly taken the Globe newspaper for over years. His wife and family all passed away before him and a few years ago he settled up his affairs, went to Scotland to end his days there, but soon returned, with remark that the country he found "wasn't Scotland at all." He took his adopted home best and ended his days with friends and neighbors among whom he was highly respected. Funeral took place Wednesday.
