YEARS TORTURE

Belleville Lady, Whom Doctors Failed to Help, Cured at Last by Doan's Kidney Pills.

One who has not suffered from kidney trouble can imagine the terrible tortures endured by the victims of such a disease. Mrs. Richard Rees, a well-known and highly respected lady of Belleville, Ontario, has borne the burden of kidney complaint for 20 years and now Doan's Kidney Pills have cured her when all else failed. Her husband made the following statement of her case: "For 20 years my wife has been a sufferer from pain in the back, nervousness and general debility. Nothing seemed to help her and medicines all failed, until we saw Pills advertised as a positive cure. I began to take them and they helped her right away, and she is now better than ever. We can heartily recommend Doan's Kidney Pills to all sufferers. It seems to strike the right spot quickly. Its action is not only quick but it is permanent. I cannot say more in favor of these pills than that they saved my wife from a lingering torture, which she had endured for 20 years past, and I sincerely trust that all sufferers will give Doan's Pills a fair trial."

Cure constipation, biliousness, sick headache and dyspepsia. Every pill guaranteed perfect and to act without any griping, weakening or sickening effects. 25c. at all druggists.

Scrofula.

per permanent cure B.B.B. after two doctors failed.

any doctor and he will tell you next to cancer, scrofula is one of the hardest diseases to cure. Burdock Blood Bitters applied locally to the parts affected and internally cured Rev. Wm. Kirkton, Ont., permanently. Many prominent physicians have cured Mrs. W. Bennet, of 121st Street, Ont., permanently when everyone thought she was dead. Now Mr. H. H. Forest, of Mills, P.Q., states his case as follows:

Having used Burdock Blood Bitters in the blood, I feel it my duty to make known the results. I was cured by two skilled physicians, but they could not cure me. I had running sores on my hands and legs which I could not heal until I tried B.B.B. This cured me completely and permanently, leaving the skin and flesh sound and healthy.

MARKABLE OPERATION.

Child restored to Full Mental Power.

In 1890, one of the most remarkable operations on record was performed by Dr. Lavelange in the children's Hospital at Paris. It was the case of an idiot child. Its mind stopped growing since it was 12 months of age, and was only one-third the size of a normal child. Believing that the cause was due to compression of the skull, the doctor divided the skull and kept the edges of the bone from uniting. Fresh deposits of bone took place, and the skull expanded to almost its normal size. Then the intellectual faculties had hitherto been those of a normal child, and grew stronger and stronger until at last the child was as healthy as any other in the hospital. Some of the most remarkable operations have been performed with the brain, which has been accurately mapped out that the location of the brain lesion can be told exactly where the tumor is located, and the situation can be located, and the skull is opened and the morbid growth removed. Recently a child whose complexion was a dirty yellow and most delicate and now boasts the complexion of a healthy child.

MILY DRIVEN MAD.

Ordinary case of madness. Members of a family, consisting of father, mother and four children, simultaneously afflicted with insanity. A party of gypsies, who undertook to cure the fortune by means of their fortune telling, and this was so impressed upon him and his wife in the course of the same that they developed signs of insanity, and before long had to be confined to an asylum. The gypsies, however, were restrained. The source of the trouble, as the German police stated by the frontier from Belleville.

SOCIAL CHAT.

Rebbed—No, I never talk about them and their shortcomings. I didn't neither when poor to hire 'em.

The woman who is lovely in face form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will become nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions, and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver, and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It will make a good-looking, charming woman of a run-down invalid. Only 50 cents at local Drug Stores.

An accident at a barn raising on the 9th occasion of Kincardine reports one killed and sixteen injured. The fourth bent was pushed too far when it fell upon the men beneath. The others, it is said will recover.

RELIEF IN 10 MINUTES!
Every sufferer from catarrh who reads these lines will find in them a message of hope. No matter how severely he may be afflicted, no matter how many so-called remedies he may have tried, no matter how many physicians have experimented upon him in vain, no matter how completely he may have despaired of ever ridding himself of his disgusting and distressing malady—he can be cured! Hundreds upon hundreds of cases as bad as his have been fully and permanently cured by
DR. AGNEW'S CATARRHAL POWDER.
This wonderful remedy never fails if taken before catarrh has developed into other necessarily fatal diseases. Don't put it off—go at once to your druggist and get a bottle. It will relieve you in 10 minutes—it will place you on the road to full recovery immediately. It cures cold in the head, sore throat, tonsillitis, asthma, hay fever, loss of smell and deafness. Here is an interesting letter from the Rev. James Murdock, of Harrisburg, Pa.:
"When I know anything is worthy of recommendation, I consider it my duty to let my friends know it. I have used Dr. Agnew's Catarrhal Powder for the last two months and am now completely cured of catarrh of five years standing. It is certainly magical in its effect. The first application benefited me within five minutes. I would not be without it in the house if it cost \$5 a bottle, as it will cure any slight cold I may have, almost instantly."
At all druggists.
Dr. Agnew's Cure for the Heart relieves heart disease in 30 minutes. Dr. Agnew's Liver Pills—20c. for 40 doses—are the best. Dr. Agnew's Ointment relieves in a day eczema, tetter and all skin diseases. Cures piles in 2 to 5 nights. 35c.
