MCLIVER BROS., DURHAM

Christian Endeavor in the Fifth Annual Convention in the Presbyterian Church, here, on Thursday last. The day being exceedingly fine a large number of Christian Workers found their way to town and a very pleasant and profitable Convention full of zeal and religious inspiration was carried on through the day.

The morning session began shortly after 10:30 and in addition to the song service of the united choirs, a consecration meeting by Rev. Mr. Graham and an address on "The value of Enthusiasm" by Rev. Mr. McDonald, of Cedarville, completed the morning session, which, as well as the remaining sessions, was ably presided over by Mr. Ramage, the President of the Union.

Shortly after two o'clock the meeting was again called to order and after the opening exercises Rev. Mr. Ferguson, of the Methodist Church, delivered a very cordial Address of Welcome.

President Ramage next delivered his address which was frequently referred to, as abounding in nuggets of religious thought by the speakers who followed. After disposing of the Secretary's and Treasurer's Reports, Rev. Mr. Conning, of Walkerton, Editor of the "Endeavor Herald," delivered an admirable address on "Our Society," and confined his remarks chiefly to ways and means of carrying on successfully, and up-building Christian Endeavor Work. Mr. Conning is an able and impressive speaker, free in the use of language, apt in illustration, abounding in imagery, a logical reasoner and a thoroughly enthusiastic Christian worker.

Principal Allan was next called on to lead an "Open Parliament" on the "Scope and Methods in Convention Work." Mr. Allan being an active worker, and a wide reader of Endeavor Literature, was able to present many hints that cannot fail to find lodgement in many hearts, and ultimately produce fruit to the Glory of God. Mr. John Cooper, of Hampden, followed up the remarks of Mr. Allan, and supplemented his address by much additional thought.

Mr. Blakeston, Principal of Priceville Public School next read a thoughtfully prepared paper on "success."

Rev. Mr. Matheson, of Priceville Presbyterian Church, gave a very thoughtful address on "St. Paul as an Endeavorer." Though there were no Endeavorers, known by that name in Paul's time, yet the principles and line of action were the same then as now, and the whole life of the Apostle from the time of his conversion was that of an earnest, active worker in up-building the cause of Christ and His Kingdom.

An interesting and profitable feature of the Convention was the disposal of the "Question Box" by Rev. Mr. Magwood, of Holstein, who gave deliberate answers to all questions based chiefly upon his own feelings. His test as to right or wrong depended upon the will of the individual to submit every action to God for approval. Many things, he said, would be wrong for him to indulge in, that he would offer no objections to in others if guided by the test he had given.

At 7:30 p. m. the Convention again assembled when a well written essay on "Wesley" was read by Rev. Mr. Ferguson of Durham. It was shown that Wesley was in advance of his time in education and morals; was a Lecturer at 23 years of age; had been miraculously saved from death, etc., etc., and though he wished for a higher state of religion and morality, his intention was not to form a separate Church.

Following this an able and spirited address was delivered on "Power of the Unit" by Rev. Mr. Conning, after which Rev. J. L. Campbell led in a Consecration Service and a most successful Convention was brought to a close.

In addition to the subjects referred to above some excellent musical selections were given by the United Choirs, both in the day and evening sessions. Mrs. L. Morlock, who has been a resident of the place only a short time made her first appearance as a soloist at the evening session, and in two beautiful selections won golden opinions from all lovers of high class vocal music.

The ladies of the Church made ample provision to supply the inner cravings, and a sumptuous dinner and tea at 15 and 10 cents respectively were given in the basement. This not only served as a small source of revenue, but the time spent in the festivities gave many opportunities for an exchange of social greetings and a widening of acquaintance, very important features in Christian work. The meeting was a great success, the day was exceeding fine, and no doubt all who attended this great spiritual revival were greatly benefited by being present.

Thursday morning in the jail, as the result of weakness aggravated by a fall. The shrunken wasted figure of the old woman had become familiar to police court visitors, as she appeared at intervals of every few months to be committed to the home which the wisdom of the county councillors decree sufficient for unfortunate of her class. She has been committed altogether fourteen times, the last occasion being on April 18th, when she was sent up for three months. During the last few years she has hardly been able to totter about and had to be carried up the police court and jail stairs at every fresh commitment.—O. S. Times.

His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid Fever," that ran into Pneumonia. My lungs became hardened. "I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of Consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong, I can't say too much in its praise." This marvellous medicine is the surest and quickest cure in the world for all Throat and Lung Trouble. Regular size 50 cents and \$1.00. Trial bottles free at Local Drug Stores. Every bottle guaranteed.

IT'S TOO RISKY

To undergo an operation for itching. Piles when Dr. A. W. Chase's Ointment is a surer, cheaper, easier way to cure.

Cruel, barbarous methods belong to the dark ages of the past. There was a time when a surgical operation was considered the only way to cure piles. Not so now. Occasionally there is still found a physician who adheres to this dangerous and expensive method, but to every one who still believes in using the knife, ninety and nine recommend the use of Dr. Chase's Ointment.

Dr. C. M. Harlan, writing in The American Journal of Health, said: "We know that 'Dr. Chase's Ointment' meets all the requisitions of the highest standard of worth, that it will be held in high esteem wherever it is used, and consequently we endorse it to every reader."

By force of merit alone Dr. Chase's Ointment has won its way into this wide, wide world, until it has made the name of Dr. Chase familiar in almost every home, and won for the venerable discoverer the title of "America's Greatest Physician."

Dr. Chase's Ointment has never been known to fail as a cure for piles. It matters not whether blind, itching, bleeding or protruding, Dr. Chase's Ointment is an absolute and perfect cure.

Dr. A. W. Chase's Ointment is the discovery of the author of Dr. Chase's Recipe Book, whose portrait and signature is on every box of the genuine. 4c. a box. All Orders to Edmanson, Bates & Co., Toronto.

THE Furniture Factory is a sure thing now, the directors having staked out the ground last week.

EDITOR Mitcheli, of the Clinton News Record wants to know if the Doctors are away on their vacation as they haven't had a burial there for about six weeks.

GIVE us a Rest—The Review man last week made this cheering announcement "next week we will give our readers a rest." We hope they'll appreciate the Editor's kind consideration.

Rev. Mr. McRobbie, who spent a couple of weeks here recently, received a call from the congregations of Kemble and Sarawak. The Salary is \$1000, with a free manse and four weeks holidays.

THE Plans of the new Furniture Factory are now open for inspection to builders. The front and end elevation will be 125 feet long by 100 wide 3 storeys high, and a fine looking structure according to the plans.

ABOUT ten or twelve townspeople, who were delinquent in paying their dog tax, were up before Mayor Calder, Monday, when all cases were satisfactory disposed of. The Mayor, we understand, was as lenient as possible and let them off on paying the tax, with an additional cost of fifty cents, \$1.50 in all.

At a meeting of the Cricket Club held last week for the purpose of re-organizing for the present year the following were elected officers:—Hon. Pres., Dr. Freely; Pres., Dr. Jamieson, M. P. P.; Vice Pres., Con. Knapp; Sec'y Treas., Jas G. Park; Committee of Management, J. P. Telford, W. L. MacKenzie, J. A. Hunter, Jno. S. Robertson, T. G. Carson, N. McIntyre.

On Sunday morning last Mr. J. P. Hunter was lucky enough to discover a swarm of bees clinging to a branch in the corner of Mrs. Jackson's orchard. It was Sunday morning as we said before, and Jim had conscientious scruples about doing anything of a worldly nature. Fearing, however, that some one else might be tempted he resolved after due consideration to box up the little workers and take them to his own home where they now work industriously gathering up the sweets of nature for Mr. Hunter's benefit. We have an idea we should get a little mug of the honey when it comes.

On Wednesday July 12th a pleasant event took place at the residence of Mr. Robt Webber, Bentinck, when his daughter Miss Jennie was united in the bonds of matrimony to Mr. Jas. A. Browne of Owen Sound, son of Mr. Charles Browne, Durham. The ceremony was performed by Rev. Mr. McGregor, assisted by Rev. Alex. Stewart. The bride was assisted by her sister, Miss Maria Webber, while Mr. A. G. Browne, of Toronto, stood by his brother. The bride looked lovely, attired in a dress of pink and white organdie trimmed with pink silk and white lace, and carried in her hand a bouquet of white lilies with white satin streamers. The bridesmaid was also becomingly attired in a dress of white dotted muslin, with mauve silk trimmings and carried a bouquet of white lilies and pink roses. To the soft strains of the wedding march, played by Miss Nettie Brown, the bridal party passed through the house to the orchard, where the guests had all assembled to witness the ceremony. When vows were taken and congratulations over all retired to the dining room where a sumptuous repast was provided for about 70 guests. The wedding breakfast bring over the guests assembled some in the parlor, where they had music and singing, some to the orchard to play games etc.. The presents were numerous and useful, and show the esteem in which the young couple are held, some of them coming from Guelph where the bride formerly resided. Mr. and Mrs. Browne left Thursday for O. Sound where they will take up their residence. THE CHRONICLE joins in extending hearty congratulations.
