Some twelve years ago Mrs. Elizabeth Gilhula, wife of the postmaster of Buxton, Ont., was taken ill with an obscure stomach trouble which her physicians pronounced cancer of the stomach and informed her that her lease of life would be short. On the advice of Dr. Burdock she commenced taking Burdock's Blood Purifier. The results that followed were so marvellous that she returned and in a short time she was completely cured. Mrs. Gilhula in the full enjoyment of life in all these years there has been no return of the trouble. Mrs. Gilhula wrote at Buxton, Ont.:

received from her a short good health. I thank you for saving my life and highly recommend Burdock's Blood Purifier from stomach troubles. ELIZABETH GILHULA.

Master Roy Gordon wheeled to Stratford last week.

We have just been informed that Miss Collier has taken a lucrative situation in Brandon, Man.—Congratulations sure.

Mr. Chas Robson, of Traverston has secured a good position on the other side as assistant in a Business College.

TICKETS to the ground and supper only 25c. at the Firemen's pic-nic August 10th.

The Ponton trial is set for the third week in September at Cobourg, before Chancellor Sir. John A. Boyd.

Four negroes, three for brutally assaulting a thirteen year old girl, and one for murdering his wife were hanged together in the jail yard on the 28th ult at Baltimore, Maryland.

BRAVE MEN FALL

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was all most yellow, eyes sunken tongue coated, pain continually in my back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying Electric Bitters, and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50c. guaranteed, at local Drug Stores.

POMONA.

Hay and fall wheat are pretty well secured in this vicinity. The weather has been so uncertain that all available hands were needed on dry days, but the indications are that we will have better weather soon.

During the thunder storm on Tuesday morning of last week Mr. Ronald McDonald had one of his two cows killed by lightning. His mother had just come in from milking when the flash came, killing the cow quite near the house and shaking things up generally.

The young ladies who have returned to their respective homes in our neighborhood of late are: Misses Annie Morrison and Maggie Vogan, of Toronto, Miss Sair Black from Guelph, and Miss Kate McKinnon from Orangeville. Miss Morrison will likely remain home for some time as her elder sister, Miss Elsie, is very ill.

Miss M. Sullivan, of Dornoch, teacher in St. John's School here, will hardly know her academy when she returns as the Elvidge Bros., of your town, spent about a week painting the interior. The ceiling is pea green while the walls are a fresh color.

On the 25th ult. Messrs. Jas. Staples, Reeve, and J. J. McMillan, Commissioner for Ward No. 2, let the contract of erecting a new bridge over the Sauguen river near Mr. A. Black's, con. 2 and 3, N. D. R., for the sum of \$430. Mr. Alex. McMillan was the lowest bidder. The T. P. officials worked hard to get the contract price down to near what they thought should be paid for it as people are now very busy and are not anxious for work of that nature unless well paid for it. Just here a little explanation might be necessary in justice to our officials. The contract was previously let, but the first contractor was making scarcely any headway towards having it completed this summer so the job was relet.

Yes, there's somebody waiting for somebody's return from Dornoch. Keep up your heart, Johnie and your banjo in tune for the holidays will soon be over.

The Scotchtown bridge gang, after completing the bridge over the Sauguen near McLeod's and Keyland's in a satisfactory manner, gave a party at the residence of Mr. Alex. Murdoch who kindly let them use his house for the occasion. The affair was well patronized and the musicians kept busy until well nigh the peep o' day. Pinnacle Hill Corners and Irish Lake sent their contingent and Balsam Valley was fairly represented.

On a recent Sunday Mr. John Darling, wife and family, and Miss Horn, of Durham, visited at the hospitable home of Mr. J. McVicar. Master Jas. Darling remained some time and enjoyed life on the farm. Since then Miss Horn was out for a day or two picking berries.

Ye scribe shingled his stable anew while Mr. Angus Morrison re-shingled part of his house and tented completing it after haying. It will then stand quite a "raquet."

Mr. Michael McAuliff and his sister, Miss Ellen of Normanby, were visitors at Mr. McGrath's on Sunday last.

Nature's Own Dyspepsia Cure

Nature's remedies are not like man's—they never fail. Of the many remedies intended to cure dyspepsia, sour stomach, distress after eating, weight in the stomach, wind on the stomach, loss of appetite, dizziness, nausea, impoverished blood, catarrh of the stomach, sick headache, and similar results of indigestion, only one is uniformly and unfailingly successful—that is nature's own remedy, found only in

DR. VON STAN'S PINEAPPLE TABLETS.

The pineapple contains a large amount of Vegetable Pepsin—nature's most potent aid in digesting food. Mix meat and pineapple and agitate the mixture at a temperature of 103°, and the pineapple will completely digest the meat.

Take two of Dr. Von Stan's Pineapple Tablets after your meals and they will digest your food without aid from the stomach. This of course rests, strengthens and heals the stomach. The tablets will cure the most chronic case of dyspepsia. They give immediate relief. Take them for a short time and your stomach will be as strong and hearty as that of a farmer's boy.

They are as pleasant to the palate as candy.
